Dear Mr. Kim:

Enclosed for your action is a copy of the approved highway safety reimbursement project No. AL17-02 (05-M-01), entitled "Maui Prosecutors Office." A total of \$21,468.75 has been obligated to the project.

The grant funds will be used for travel to national conferences, training and statewide meetings to obtain the latest information and strategies to convict OVUII offenders as well as to keep up to date on current trends and defenses regarding drugged driving.

Progress reports must be submitted quarterly within 15 days (ending December, March, June and September) and a final report must be submitted within thirty days of the end of the grant period. Reimbursement claims must be submitted in accordance with the agreement (monthly or quarterly) by the 20th of the month following the claim period. A claim must be submitted even if no expenditures were made.

This grant will be funded using National Highway Traffic Safety Administration FAST Act Section 405d and Section 164 program funds. Due to the federal budgeting process, the program funding source is subject to change. The project is subject to the audit requirements of 2 CFR §200 Subpart F. Note that the Department/Catalog of Federal Domestic Assistance (CFDA) Program Number and Title that this project should be associated with in the Schedule of Federal Assistance Programs section of your single agency audit report are: Department of Transportation/CFDA 20.616 – National Priority Safety Programs/CFDA 20.608 – Minimum Penalties for Repeat Offenders for Driving While Intoxicated. A copy of the single audit report covering the grant period must be sent to the Department of Transportation – Highway Safety Section, 869 Punchbowl Street, Room 405, Honolulu, HI 96813.

The District Court Division of the Maui Department of the Prosecuting Attorney proposes to prioritize their efforts in prosecuting offenders charged with "operating a vehicle under the influence of an intoxicant" (OUI), due to the increasing number of OUI cases as compared to other District Court offenses. As a result of the increase, the Division's goal is to increase the rate of convictions, using effective strategies and new information to prosecute and maximize sentencing, in order to ensure our roads and highways are as safe as possible. Attendance to key traffic-related meetings and conferences is essential for prosecutors to collaborate with police officers, learn new prosecutorial techniques, and understand developments in OUI case law and defenses..
