Subject: Wailuku Civic Complex proposal

Aloha Mr. Rawlins-Fernandez. I would like to add my support for your proposal to cut funding to the massive, expensive civic complex plan for Wailuku. I fully agree with the idea that there are many much more important and beneficial uses for this money - uses that will be more widely beneficial to our island community than this big-business money-maker. I also agree with the idea that revitalizing the historic town of Wailuku is more preferable to building this contemporary marketplace.

I wish you much success, for us all.
