

COUNCIL OF THE COUNTY OF MAUI
BUDGET AND FINANCE COMMITTEE

November 2, 2018

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Budget and Finance Committee, having met on October 16, 2018, makes reference to County Communication 18-247, from Councilmember Riki Hokama, relating to amendments to Appendix A, Grant Revenue – Schedule of Grants and Restricted Use Revenues by Departments and Programs for Fiscal Year (“FY”) 2019.

By correspondence dated October 5, 2018, the Budget Director transmitted the following:

1. A proposed bill entitled “A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2019 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX A, PART I, GRANTS AND RESTRICTED USE REVENUES – SCHEDULE OF GRANTS AND RESTRICTED USE REVENUES BY DEPARTMENTS AND PROGRAMS, DEPARTMENT OF PUBLIC WORKS (FEDERAL HIGHWAY ADMINISTRATION, FEDERAL-AID AND OTHER TRANSPORTATION GRANTS).”

The purpose of the proposed bill is to amend Appendix A, Part I, Grants and Restricted Use Revenues – Schedule of Grants and Restricted Use Revenues by Departments and Programs, FY 2019 Budget, for the Department of Public Works (“Department”), by increasing the appropriation entitled “Federal Highway Administration, Federal-Aid and Other Transportation Grants,” by \$1,020,000. The Department received the additional funds from the Federal Safe Routes to School Program (“Program”) for the Paia School frontage and sidewalk improvements project (“Project”).

2. A proposed bill entitled “A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2019 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX C – CAPITAL IMPROVEMENT PROJECTS, DEPARTMENT OF PUBLIC WORKS, COUNTYWIDE, COUNTYWIDE FEDERAL AID PROGRAM.”

The purpose of the proposed bill is to amend the FY 2019 Budget, Appendix C, Capital Improvement Projects (“Appendix C”), under the Department of Public Works “Countywide Federal Aid Program” by increasing the appropriation by 1) \$1,020,000 for the additional funds received from the Program; 2) \$12,500,000 for funds already recognized in Appendix A under the Federal Highway Administration, Federal-Aid and Other Transportation Grants; and 3) \$2,000,000 from the Bond Fund under Countywide Federal Aid Program for a total appropriation of \$15,520,000; and by expanding the project description by adding “Paia School frontage and sidewalk improvements.”

The Budget Director said the additional funds for the Program increases the appropriation entitled “Federal Highway Administration, Federal-Aid and Other Transportation Grants” because it is a Federal grant. He said the appropriation in the FY 2019 Budget, entitled “State of Hawaii Department of Transportation – Safe Routes to School Program Special Fund,” is from State funds.

Your Committee questioned the increase from \$2,000,000 to \$15,520,000 in Appendix C for the appropriation entitled “Countywide Federal Aid Program.” The Budget Director said since the implementation of Appendix C, there have been inconsistencies over whether grant-funded projects listed in Appendix A, Part I, should be recognized or not. After discussion with the Chair of your Committee, it was recommended to include all capital improvement projects in Appendix C. Therefore, the proposed amendment to Appendix C includes the appropriation of \$12,500,000, from the Federal Highway Administration, Federal-Aid and

Other Transportation Grants already recognized in Appendix A, Part I, of the FY 2019 Budget.

The Director of Public Works said the Project includes connecting neighborhoods, such as Skill Village to Paia School, filling gaps in the sidewalk fronting the school and along both sides of Baldwin Avenue, and rehabilitating other existing sidewalks around Paia School.

The Director said Maui County competes with the other three counties and the State for funds from the Program. He said the Program is not part of the Maui Metropolitan Planning Organization and was not included in its Transportation Implementation Plan.

He said traffic engineers from the Department have compiled a list of schools and identified gaps in the walking or biking routes to each school. The Director said because the Program requires the Department to have a sponsor for each proposed project, the Department has reached out to various schools on their list. He said the school could serve as the sponsor without having any financial obligation for the project. However, if the school is not willing to sponsor the project, the Department would be unable to participate in the Program for that school. He noted Kamalii Elementary School and Princess Nahienaena Intermediate School participated in the Program in prior fiscal years.

Your Committee voted 9-0 to recommend passage of the proposed bills on first reading and filing of the communication. Committee Chair Hokama, Vice-Chair White, and members Atay, Carroll, Cochran, Crivello, Guzman, King, and Sugimura voted "aye."

Your Budget and Finance Committee **RECOMMENDS** the following:

1. That Bill _____ (2018), attached hereto, entitled "A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2019 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX A, PART I, GRANTS AND RESTRICTED USE REVENUES – SCHEDULE OF GRANTS AND RESTRICTED USE REVENUES BY DEPARTMENTS AND PROGRAMS,
