Good afternoon Maui County Council Members,

I am Lori Tsuhako and am submitting testimony as a private citizen and registered voter.

I stand in strong support of Resolution 23-12, the appointment of Moana M. Lutey as Maui County Clerk. I have known Ms. Lutey for almost 20 years. During this time I have had multiple opportunities to observe her dedication to her work on behalf of Maui County, both as a litigator and as an administrator. Moana is thoughtful, honest, and upholds the highest of ethical standards. She works very hard and is dedicated to fulfilling her duties. She has never waived in tackling tough issues head-on with a clear sense of integrity.

I am extremely confident that Ms. Lutey will be an excellent County Clerk. She knows the law, and she will undoubtedly be an asset not only to the County Council, but most importantly to our entire community.

I ask that you give Moana M. Lutey's appointment as County Clerk your highest consideration, and your approval. Thank you.

Good Afternoon Maui County Council Members,

I am Lori Tsuhako and I submit testimony today as a private citizen and registered voter.

I stand in strong support of Resolution 23-13, the appointment of Richelle M. Thomson as Deputy County Clerk.

I worked closely with Ms. Thomson over the past four years in her role as First Deputy Corporation Counsel. Ms. Thomson was always responsive, respectful, and provided me and my colleagues with sound legal guidance in the course of our work. Most importantly, Ms. Thomson was thoughtful and assisted us in problem solving our challenges to enable our work to get done and for services to be provided to the community. Her knowledge of the law and ability to integrate that with our mission was exceptionally helpful.

I feel very confident that Ms. Thomson is not only highly qualified, but that her work ethic and her skills make her an excellent candidate for Deputy County Clerk. I ask that you give Ms. Thomson's appointment your highest consideration, and your approval.

Thank you,

Lori Tsuhako

RE: Testimony in support of Resolution No.23-12

OFFICE OF THE
COUNTY CLERK

I support the approval of Moana Lutey as County Clerk for the County of Maui.

Among other things, the Clerk manages elections, maintains ordinances, rules, legislative histories, contracts, and other records for the County. However, the most important function of the County Clerk is administration of elections.

Ms. Lutey is highly and uniquely qualified to carry out the duties of the Clerk. She is trained as a lawyer and has practiced law for over 25 years. Most recently, she served as Corporation Counsel where she worked with and advised the Office of the County Clerk.

The work of the County Clerk is all about being accurate, thorough, complete, and on time. Recently, the administration of elections has come under greater scrutiny and criticism across the nation. Ms. Lutey knows how to anticipate problems and do her best to avoid them. Should issues arise, Ms. Lutey has the skills that allow her to understand the problem, then address it. I believe that protecting the integrity of our elections and the public's confidence in the accuracy of the results has become the most important duty of the County Clerk.

The Office of the County Clerk is like any other county department, where the department head is also tasked with administrative matters, including budgets and personnel. Ms. Lutey's experience in running a county department and performing the administrative duties of a department head will serve her well as County Clerk

I urge the Council of the County of Maui to approve the appointment of Moana M. Lutey to serve as the Maui County Clerk

Aloha Honorable County Council,

As a full-time citizen and resident of Maui County within the town of Haiku, I hereby submit the following testimony strongly in support of the appointment of Moana M. Lutey to County Clerk and Richelle M Thomson to Deputy County Clerk for the following reasons:

- 1) In my legal dealings with the County of Maui through various capacities, I have found Moana Lutey to be a beacon of integrity and brilliance who constantly has the best interest of this great County at heart. Moana's many years of experience in Corporation Counsel clearly makes her the best candidate for this appointment.
- 2) I believe Richelle Thomson to also be highly qualified to be the Deputy County Clerk.
- 3) In this day and age of litigious candidates who do not garner the majority of votes, it is very prudent and wise of the County Council to appoint and pay commensurate salaries for attorneys to be appointed the County Clerk and Deputy County Clerk. In fact, a lawsuit of a candidate who did not garner the majority of the vote, along with 30 of her supporters, is currently outstanding and impeding the actions of Maui County Council as you are now convened. ***Unfortunately, legal action seems to be the modus operandi of many who wish to disrupt the democracy of this great Country. As such, County Clerks with legal degrees that have practiced law, will become more the norm as we move forward. Kudos to the County Council for their wisdom and foresight in this appointment.***

THEREFORE, I EXPRESS MY STRONG SUPPORT OF RESOLUTIONS 23-12 AND 23-13 WITH THE APPOINTMENT OF MOANA LUTEY AND RICHELLE THOMSON TO COUNTY CLERK AND DEPUTY COUNTY CLERK, RESPECTIVELY!!

Further, when the time and space allows the County Council, I also fully support a requirement of the position of our County Clerks to have a full law degree and be a practicing attorney at law.

Mahalo nui loa for your great service to Maui County,

Charles 'Chuck' Spence

OFFICE OF THE
COUNTY CLERK

Resolution 23-1. Council Chair.

I support Alice Lee for election to this post. She has demonstrated effective chair leadership in the past, is fair and impartial, is respectful of other council members and the public, and is open to learning and improving county council governance. By reappointment all she has learned in the position to date will enable her to hit the ground running this term.

Resolution 23-4. Standing Committees/Appointment of Chairs.

I applaud the council for opening this process to the public. This is the epitome of good and transparent government. An open process inspires public trust and confidence in county government, particularly when compared to past practices where council leadership decisions were made "behind closed doors."

Just as I believe it is important to retain Council Member Lee as council chair due to her excellent prior performance in the post which will in turn take advantage of her prior experience, I believe other council members who have served the council well chairing subject matter council committees should be retained and reappointed (1) to continue the work they have begun and (2) to leverage the knowledge they have gained through past experience.

For these reasons I support:

Shane Sinenci for chair of the Agriculture and Public Trust Committee
Keani Rawlins-Fernandez for chair of the Budget, Finance and Economic Development Committee
Tamara Paltin for chair of the Disaster, Resilience, International Affairs and Planning Committee
Yuklei Sugimura for chair of the Water and Infrastructure Committee
Tasha Kama for chair of the Human Concerns, 'Oiwi Resources and Parks Committee
Gabe Johnson for chair of the Land Use and Housing Committee

I believe either new council member **U'u-Hodgins** or **Tom Cook** would be well suited to chair the Government Relations, Ethics and Transparency Committee. With only 7 committees, this leaves one council member without a committee to lead. This, however, is not unreasonable since the first year on the council is largely a learning and development experience.

I would have copied U'u-Hodgins and Tom Cook but I don't have their email addresses yet.

Dear Council of the County of Maui,

OFFICE OF THE
COUNTY CLERK

Please accept this testimony in support of Resolution 23-12, appointing Moana M. Lutey as the County Clerk and setting the salary. I am a Deputy Corporation Counsel for the County of Maui, submitting testimony in my personal capacity. Thank you for your valuable time and consideration.

I have had the privilege of working with Ms. Lutey, the outgoing Corporation Counsel for the County of Maui, since 2019 when I was hired as a deputy. Ms. Lutey epitomizes integrity in leadership, even in the face of unprecedented challenges. She leads by example and is well-respected by those who have worked with her. Ms. Lutey brings a wealth of knowledge and experience to the Office of the County Clerk, and it is appropriate for her compensation to reflect that. Ms. Lutey's legal acumen and qualifications as an experienced litigator will assist the Office of the County Clerk in heading off future costly litigation. The proposed salary for Ms. Lutey is reasonable and appropriate.

The decision to work as a government attorney as opposed to seeking out a position in private practice was a difficult one for me. In general, the pay for a government attorney position is less than for a private legal position. There is also heightened visibility and public scrutiny as a government attorney. As part of my research, I met with various people in the legal field and consistently heard that Ms. Lutey is an accomplished and well-respected attorney. She has the reputation of being a formidable adversary in court, while always maintaining the highest level of professionalism. After speaking with attorneys and staff working in the Department of the Corporation Counsel, I learned that Ms. Lutey also has the reputation of being an incredible teacher, mentor, and leader. After carefully weighing my options, and largely based on wanting to learn from Ms. Lutey, I decided to dedicate myself to government work.

Ms. Lutey far exceeded my expectations as a teacher, mentor, and leader. The last few years have been fraught with challenges such as the COVID-19 pandemic. Ms. Lutey handled a myriad of obstacles with resolve and grace. During times of heightened stress and uncertainty, Ms. Lutey remained composed, fair, and always maintained an open door for her employees and staff. When there was extra work, Ms. Lutey picked it up, working weekends for months on end. I was encouraged by the example she set and felt motivated to keep moving forward through the trying months when we experienced heightened workloads.

Despite her excellent work ethic and integrity, Ms. Lutey has endured slander and defamation. There are many baseless accusations and conspiratorial threads of conversation circulating throughout factions of the community. Ms. Lutey consistently has handled these unfounded allegations and disturbing comments with dignity and grace. The role of the

Corporation Counsel should not be a political one. To represent the County as the client necessarily means that the office must be an independent one. Ms. Lutey has excelled at this exceptional challenge. In fulfilling her ethical and legal obligations, Ms. Lutey has had to make difficult decisions contrary to the personal objectives of certain extremely vocal individuals. The vocal and public opposition to some legal opinions and decisions is evidence of Ms. Lutey fulfilling her ethical and legal obligations. The Corporation Counsel must represent the County and is unable to provide legal advice and representation to private individuals. This occasionally results in disgruntled members of the public. Social media platforms provide an avenue for individuals and entities to spread misinformation and hurl baseless insults. As a government attorney, I strive to meet such challenges with the level of professionalism exhibited by Ms. Lutey.

Ms. Lutey leads by example and is respected by those who work for her and with her. She creates a healthy, diverse, and enjoyable work environment for all. The Office of the County Clerk is fortunate to have Ms. Lutey as the County Clerk. She brings a wealth of knowledge and experience and should be compensated accordingly. The proposed pay for Ms. Lutey is appropriate based on her status as a licensed attorney and her years of litigation experience that will assist the Office of the County Clerk in heading off future costly litigation. Thank you again for your valuable time and consideration.

Respectfully submitted,

/s/ Stephanie M. Chen

Dear Council of the County of Maui,

Please accept this testimony in support of Resolution 23-13, appointing Richelle M. Thomson as the Deputy County Clerk and setting the salary. I am a Deputy Corporation Counsel for the County of Maui, submitting testimony in my personal capacity. Thank you for your valuable time and consideration.

I have had the privilege of working with Ms. Thomson since 2019 when I was hired as a deputy in the Department of the Corporation Counsel Counseling and Drafting Division. Ms. Thomson is an incredible leader, teacher, and mentor. She maintained the highest level of integrity and professionalism throughout her tenure as First Deputy of the Department of the Corporation Counsel, even in the face of unprecedented challenges. Ms. Thomson is extremely well-respected by those who have worked with her and consistently leads by example, putting in many long and productive hours outside of the normal work schedule. Ms. Thomson brings a wealth of knowledge and experience to the Office of the County Clerk and should be compensated accordingly. Ms. Thomson's legal acumen and qualifications as an experienced attorney will assist the Office of the County Clerk in heading off future costly litigation. The proposed salary for Ms. Thomson is reasonable and appropriate.

As a deputy in the Counseling and Drafting Division, I have had the opportunity to work closely with Ms. Thomson. True to reputation, she is an amazing teacher and mentor. She has encouraged and supported her employees and co-workers in achieving the high expectations demanded of their positions. Ms. Thomson always maintained an open-door policy, welcoming questions, and thoughtful discussion. Reasoned disagreement was encouraged and respected. Through her example, attorneys and staff collaborated and worked as a bona fide team. When needed, people willingly picked up extra work and knew when and where to ask for assistance.

Throughout the COVID-19 pandemic, Ms. Thomson worked tirelessly to meet the demands placed on the office. She worked late nights and every weekend for months, forgoing holidays and any chance of a vacation. Despite extreme sleep deprivation and stress, Ms. Thomson remained composed, fair, and always made time for questions from employees and staff. She was able to navigate complicated new territory, providing legal advice and guidance regarding emergency orders and pandemic-related funding that became available. There were significant procedural changes that affected the departments as well as changes to the Sunshine Law that impacted the Council, its committees, and the many boards and commissions.

The Department of the Corporation Counsel Counseling and Drafting Division's loss of Ms. Thomson as a deputy is a gain for the Office of the County Clerk. Ms. Thomson creates a healthy, diverse, and enjoyable work environment for all. She is exceptionally well-qualified and

well-suited to the task of assuming the role of the Deputy County Clerk and her wealth of knowledge and experience should be compensated accordingly. The proposed pay for Ms. Thomson is appropriate based on her status as a licensed attorney, and her years of experience that will assist the Office of the County Clerk in heading off future costly litigation. Thank you again for your valuable time and consideration.

Respectfully submitted,

/s/ Stephanie M. Chen

OFFICE OF THE
COUNTY CLERK

Below are 523 signatures on our petition to investigate Moana Lutey for corruption. It is safe to say that none of these people want Moana Lutey to be County Clerk.

Mayor Bissen's **removal of Moana Lutey and her sidekick Richelle Thomson** from Corporation Counsel was a great step towards **ending decades of institutionalized corruption on Maui.**

As her push towards **Fascism** (Alice's proposed new rules would give her exclusive authority to skip committees and public testimony on ANY legislation) expands, **Alice Lee** wants to hire Lutey and Thomson as County Clerk, and Deputy County Clerk.

With massive salary boosts over past Clerks (**Lutey will earn more than the Mayor**) to fill jobs that do not require a lawyer.

The County Clerk's office already has access to lawyers at Corporation Counsel and Council Services whenever needed.

Is the high salary Alice wants to give these two a reward for all their past illegitimate acts or to pave the way towards new ones?

\$156,982 yearly to Moana Lutey – **42.39% increase** for Clerk.

\$149,132 yearly to Richelle Thomson – **51.10% increase** for Deputy.

\$151,979 is the current salary for Maui County's Mayor.

\$162,552. is the current salary for Hawaii State Attorney General.

We encourage COUNCIL MEMBERS to VOTE against Reso 23-12, the Appointment of Moana Lutey as County Clerk and Reso 23-13 Richelle Thompson as Deputy County Clerk.

Remember that **Moana Lutey lied** to the Council repeatedly about an investigation into bribery accusations within the Planning Dept over Greg Brown's abusive Naplii Hotel. **The investigation she claimed happened NEVER TOOK PLACE!**

Lutey also wasted millions of your tax dollars **refusing to respect the Council's unanimous vote** to settle the Injection Wells case to instead take it **to the Supreme Court, where she lost!**

Oh yeah, and she lied to the Council in her confirmation hearing about her role in a contested SMA permit case.

All that and more, are why Lutey was removed as Director of Corporation Counsel.

Maui Causes has a petition with 500 signatures demanding that Moana Lutey be investigated by the FBI for corruption. Add your name here <https://sign.moveon.org/petitions/request-for-criminal>

Request for Criminal Investigation of Corporation Counsel Moana Lutey, Corporation Counsel...

To: Federal Bureau of Investigations, Clare E. Connors, Attorney General, State of Hawaii, Michael Wheat, U.S. Prosecuting Attorney, Kelly King, Maui County Council Chair, Keani Rawlins-Ferna...

The self-described "Dinosaurs" of Maui's Corporation Counsel are a team of litigators led by Moana Lutey who have been around long enough to be professionally compromised while serving past Mayors Alan Arakawa and James Apana.

By their dirty acts over the years, these lawyers are now so personally and professionally conflicted that they can no longer possibly serve the public's best interest.

We citizens call for an investigation into Racketeering by these "Dinosaurs" and, at the very least, demand their removal from Maui's Office of Corporation Counsel.

Why is this important?

Maui County is a billion-dollar pawn being played by companies who profit by polluting, AKA "The Pollution Industry."

The world will never forgive or forget that Maui's Sewage, partially treated and injected into underground wells, is what gave Trump's deregulation-frenzied Supreme Court the opportunity to rule against EPA permits for all Injection Wells and cripple the Clean Water Act.

We can stop this by ridding Maui's Corporation Counsel of the "Dinosaurs". That's the self-chosen name of the team of litigators led by Moana Lutey who have been around long enough to be professionally compromised while serving past Mayors Alan Arakawa and James Apana.

By their dirty acts over the years, these lawyers are now so personally conflicted that they can no longer possibly serve the public's best interest.

Moana Lutey and Maui's "Dinosaur Lawyers":

** Inserted language into the Injection Well resolution that would give the Lawyers final say over county policy, robbing authority from both the Mayor and the County Council, in violation of legal norms, the County Charter and Rules for lawyers in Hawaii.*

** Are actively blocking enforcement of SMA Permits that protect our shoreline, in violation of the U.S. Coastal Zone Management Act.*

** Wrote secret developer agreements from 1974 to 2007 in order to shift financial burdens onto residents and is still blocking collection of over \$100 million from developers by withholding and falsifying public records.*

** Secretly violated the intent of the Council in 2015 in order to create a new way to shift financial burdens from developers to residents.*

** Are actively concealing government liens which have been unlawfully placed on private properties in the County of Maui.*

** Manufactured a fake RE tax to use as a weapon against a timeshare group.*

** Are obstructing investigations into several instances of County fraud by lying to both the County Council and Mayor Victorino and have harmed and defamed private resident citizens who have exposed the County corruption.*

** Are wasting millions for our tax dollars to take the Lahaina Injection Well case to the Supreme Court regardless that such regulatory changes belong in the legislature, not the courts, and many millions more in a series of frivolous litigations.*

As citizens, our voices were significant contributing factors to the recent removal of bad actors such as David Goode, William Spence, J.D. Kim and especially Patrick Wong, who as Director of Corporation Counsel was overseeing the ongoing coverup of illegal acts by others in the County. The "Dinosaurs" were all trained and compromised by Mr. Wong and are today actively continuing on with his legacy. If we continue to allow Maui's Corporation Counsel to be run by these Litigating Bullies tied to long-standing big money interests, the Maui we are so fortunate to know and love will never survive.

What a foul legacy the corrupt "Dinosaurs" of Maui's Corporation Counsel are dumping on us.

We need to flush them out.

Maui's Director of Corporation Counsel must not be yet another Local Litigator with strong ties to local special interests.

Maui needs the breath of fresh air that can only come from a Director of Corporation Counsel who is a Skilled Negotiator with Mainland Experience.

Sent: Monday, January 2, 2023 10:52 AM
To: County Clerk
Subject: Testify to Amend Reso 23-5 Monday Jan 2nd 2PM
ADOPTING THE RULES OF THE
COUNTY CLERK

Alice Lee's Power Grab to Limit Public Testimony is unacceptable.

In her new rules, Alice gives herself the power to fast-track any legislation she wants, bypassing Committee Hearings and Public Testimony.

This is one of the darkest and most anti-open government practices possible.

Alice Lee wants to restrict your opportunity to provide Public Testimony on any Council issue she chooses.

Please reject the new, overreaching language that Alice proposed for Rule 10A. New bills or resolutions. "The Council Chair may either refer new bills or resolutions to the standing committee with jurisdiction or post them on a Council meeting agenda for referral or other action."

Please amend the new rules to carry over the old language from 7G. Referral to committees; "In the case of bills or resolutions having the force and effect of law... the Council shall refer the matter to a standing committee and shall receive the committee's report prior to first reading or adoption; provided that the Council may waive this requirement by the affirmative vote of two-thirds of the entire membership of the Council."

Thank you, Sam Small, Director Maui Causes www.MauiCauses.org
