Follow-up by Staff: Determine the current usage of pesticides and fertilizers not in compliance with Chapter 2.50, Maui County Code, by the Department of Parks and Recreation.

Follow-up letters to Department of Corporation Counsel re: The Department of Parks and Recreation has shared their challenges in implementing Ordinance 5242, which established Chapter 2.50, Maui County Code. Based on their difficulty meeting deadlines established in Section 2 of Ord. 5242, could an RFP be issued for contractors, such as SoilThrive, to do this work, without interfering with the County's collective bargaining agreements?
