- Interest in Serving -

As a resident of Pā'ia and an Heir to 37AE LANE, located in the Kekahuna Subdivision, It is my Kuleana to bring awareness of issues that face our Community and the Lifestyle of Pā'ia. The education of our Community Plan is very important to those issues.

Basic Skills -

The basic skills that I bring to the table is "Listening" and "Doing"

We need to listen to the concerns of our residents and help them understand the process in making decisions that govern our Community plan. In Pā'ia we also have the B-ET Country Town Business District that have issues and concerns. Our Kuleana as Kupuna is to educate our young ones as well as learn from them and be a part of their world. The stress of education is the key for both young and old.
