Please indicate why you are interested in serving and what skills you may have to contribute:

We have to balance our growth with long term planning. Sufficient infrastructure ought to be provided prior to further development. All projects have to be viewed in their total impact and not individually. A sustainable environment must always be taken into consideration. As a property owner and resident, I want to remain involved and assist in managing appropriate growth for our future. I have a Bachelor's degree (BA) in Political Science and a Master's degree (MA) in Public Law/Urban Affairs. I am a trained mediator, including two years as a volunteer mediator in the Small Claims division of the District Court. I have Board and Commission experience, having served for five years on the Maui County Board of Variances and Appeals, plus I have been actively involved in the community for many years.
