Please indicate why you are interested in serving and what skills you may have to contribute:

Since moving to our new home in Haiku in 1989, my family has been very interested in the life and times of our North Shore community. My professional experience has taken me all over the State of Hawaii, and particularly to the islands of Maui County. Over two decades of experience with the Ha'iku Community Association has given me the opportunity to participate in many different aspects of our local culture. As a kama'aina haole, I have devoted my skills with community organizing and public service to a wide variety of tasks and projects for the benefit of the citizens, and especially the keiki, of Ha'iku. I would welcome the opportunity to serve on an advisory committee that could present the interests of Ha'iku and Pa'ia to the County and State professionals who will determine our path forward.
