Aloha GREAT Committee,

Here are my 5 recommendations for the South Maui Advisory Committee:

Mike Moran, Kihei Community Association
Robin Knox, Maui Meadows
Rob Weltman, Environmental Expert
Debra Hughes, Maalaea Village Association (left messages via phone and email)
Ray Philips, workforce housing developer

My two alternates are:

Bonnie Newman, Realtor
Bruce Bond, landscaping business owner

Also, please note that I tried to recruit Daniel Kanahele for the Native Hawaiian Cultural Expert, but he decided instead that he'd rather work for me in the South Maui District Office so he will be staffing that. No one applied who would qualify for that position, but Daniel can serve as an advisor to the committee until we get an appropriate applicant. I will be proposing to amend the ordinance to allow up to 9 members so that large areas like South Maui can have better representation of our entire district (Kihei, Wailea, Maalaea, Makena, Maui Meadows) as well as the two experts we provided for in the ordinance, and still include a couple more in the business sector.

Mahalo for your assistance with reaching out to the applicants to ask for their attendance at the Oct. 19 GREAT meeting,

Kelly
