Subject: Central Maui Pickleball Courts

 You don't often get email from shellmaui@yahoo.com. [Learn why this is important](#)

Aloha Karla,

I have not had any response to my previous email to you so I wanted to reach back out. We are DESPERATE for designated pickleball courts in central Maui. Of course you already know this but until we have action from the county we will continue to ask, insist, demand, BEG, etc. There are a ridiculous amount of underused tennis courts in central Maui. It's time to accomodate the growing sport of Pickleball.

Thank you for your attention to this matter,

Shelley Mack
