Dear Ms. Girvin:

**SUBJECT: AIRCRAFT NOISE AND FLIGHT PATHS OVER MAUI
COUNTY (IT-72)**

At its meeting of October 18, 2021, the Maui County Council's Infrastructure and Transportation Committee met to discuss concerns related to aircraft noise and flight paths over Maui County.

May I please request you provide information on the appropriate person or office for Maui County residents to contact about noise and flight path concerns.

May I further request that you or a designated FAA representative participate in an upcoming Infrastructure and Transportation Committee meeting, to be held virtually at 9 a.m. (HST), to discuss potential solutions. The possible meeting dates are:

- Monday, December 13, 2021
- Monday, January 3, 2022
- Monday, January 24, 2022

At the meeting, could you please address the following:

1. How are flight paths determined, and is noise over residential areas considered when making these determinations?
2. Have flight paths to Maui County airports changed? If so, when did they change and why were these changes made?
