ORDINANCE NO. _____

BILL NO. _____ (2022)

A BILL FOR AN ORDINANCE AMENDING CHAPTERS 2.28,
2.88, 19.48, 19.52, AND 20.08, MAUI COUNTY CODE,
RELATING TO THE MAUI COUNTY CULTURAL RESOURCES COMMISSION
AND MAUI COUNTY CULTURAL OVERLAY DISTRICTS

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. The purpose of this Ordinance is to provide for the establishment of cultural overlay districts. As stated in the Countywide Policy Plan, the County has a responsibility to protect its cultural resources. Certain geographically definable areas contain a great density of cultural and archaeological remains and development in these areas may disturb archaeological and burial sites. Such sites require consideration and careful planning to ensure preservation for the benefit of future generations. The establishment of cultural overlay districts is a useful mechanism to alert residents and potential developers that special considerations may be needed to accommodate important cultural resources.

SECTION 2. Section 2.28.050, Maui County Code, is amended to read as follows:

“Section 2.28.050 Advisory committees to the Maui planning commission[.] and Maui County cultural resources commission. A. The following advisory committees are established:
1. The Hāna advisory committee to the Maui planning commission[.] and Maui County cultural resources commission.

2. The South Maui advisory committee to the Maui planning commission[,] and Maui County cultural resources commission.

3. The Pā'ia-Ha'ikū advisory committee to the Maui planning commission[,] and Maui County cultural resources commission.

B. To be eligible for appointment as a member or alternate of an advisory committee, a person must be a resident of the relevant community plan area for a period of at least twelve consecutive months immediately preceding the person's appointment.

C. The advisory committees must consist of seven members and up to two alternates; five members and up to two alternates of each advisory committee will be appointed by the council by resolution and two members appointed by the mayor.

D. If an advisory committee member or alternate ceases to be a resident of the relevant community plan area, the committee member or alternate immediately forfeits the office, and the office becomes vacant.

E. A mid-term vacancy exists when one of the following occurs:

1. The member or alternate has moved out of the community plan area.

2. The member or alternate has provided the mayor, council, or advisory committee chair a resignation letter.

3. The member or alternate is deceased.

4. The member is removed for failure to attend [fifty] 50 percent or more of meetings[,] or is absent from at least [twenty-five] 25 percent of meetings within thirty days of the member's last excused or unexcused absence, in accordance with section 2.41.090.

F. Mid-term vacancies in council-appointed seats will be filled by the council, and mid-term vacancies in mayor-appointed seats will be filled by the mayor; except that if an advisory committee has an alternate, the alternate will fill the remainder of the departing member's term; and if an advisory committee has two alternates, the advisory committee's chair will designate an alternate to fill the remainder of the departing member's term.

G. [The following subsections of section 13-2 of the revised charter of the County of Maui (1983), as amended, apply to each advisory committee: subsections 2, 4, and 6-15.] Sections 13-2.2 and 13-2.6 through 13-2.15 of the revised charter of the County of Maui (1983), as amended, apply to each advisory committee.

H. The terms of committee members are five years, except initial terms must be staggered, with four members receiving five-year terms and three members receiving three-year terms, as selected by lot. A member receiving an initial three-year term may

seek reappointment to a five-year term. The terms of alternates are three years.

I. Each advisory committee is authorized to:

1. Provide recommendations to the Maui planning commission and Maui County cultural resources commission on matters within its community plan area.

2. Upon request by the Maui planning commission or Maui County cultural resources commission, hold public hearings, on behalf of the commission, on matters that pertain to its community plan area.

3. Carry out such duties as provided by law or as may be delegated to it by the Maui planning commission or Maui County cultural resources commission.

4. Adopt administrative rules.

J. When requested to review a matter by the Maui planning commission or Maui County cultural resources commission, an advisory committee must provide recommendations to the Maui planning commission and Maui County cultural resources commission within ninety days from the first meeting held to review the matter. If additional time is required because of extenuating circumstances, the advisory committee must notify the Maui planning commission or Maui County cultural resources commission. Each recommendation must be read aloud during the Maui planning commission's or the Maui County cultural resource commission's review of the matter.

K. Each advisory committee must meet as needed, with meetings scheduled when appropriate to maximize community participation.

L. Each advisory committee must elect a chair and a vice-chair from its members. The vice-chair will act as the presiding officer in the event of the chair's absence or disability. Until the chair is elected, the planning director will preside at the meeting, except that the planning director will not have a vote.

M. The council must review the operations of each advisory committee within thirty-six months of its first meeting, but no sooner than twelve months after that first meeting."

SECTION 3. Section 2.88.030, Maui County Code, is amended to read as follows:

"Section 2.88.030 Commission—established. A. There is established a commission to be known as the "Maui County cultural resources commission," [hereinafter] also referred to as the "commission."

B. The commission [shall] must consist of nine members [appointed by the mayor with the approval of the council] and [shall] must be chosen from professionals and persons with demonstrated experience in the following disciplines: architecture, history, archaeology, planning, architectural history, Hawaiian culture, and ethnic history and culture of the County. Six members must be appointed by the council by resolution and three members must be appointed by the mayor. The council and the mayor [shall] must solicit lists of two or more persons, recommended by community and professional organizations, such as the Maui Historical Society, [and] the American Institute of Architects, Maui chapter, [as well as] and the State office of Hawaiian affairs, for consideration in making commission appointments. Commission members should have a demonstrated interest, competence, and knowledge in historic and cultural resources preservation.

C. The majority of the commission members [shall] must be professionals, or persons with demonstrated experience, in the disciplines of archaeology, planning, architecture or architectural history, or Hawaiian culture or history, each having professional representation on the commission to the extent such professionals are available in the community. The commission [shall] must also include members from different areas of the County, with at least one representative from [each island] Maui, Molokaʻi, and Lānaʻi, who possess a knowledge and interest in local area history. When one of the disciplines is not professionally represented, the commission [shall] must seek, through appropriate means, the expertise of professionals in the disciplines when considering national register nominations and other actions that will impact properties which are normally evaluated by a professional in such a discipline.

D. [Section 13-2 of the Revised Charter of the County of Maui (1983), as amended, shall apply to the commission.] Sections 13-2.2 and 13-2.6 through 13-2.15 of the revised charter of the County of Maui (1983), as amended, apply to the commission.

E. All future appointments to the commission [shall] must be made in such a manner [as will] to ensure that the terms of the members [of the commission shall] conform to [subsections] subsection C [and D]. No provision of this section [shall be deemed to extend] extends or [shorten] shortens the term of any current member of the commission.

F. A mid-term vacancy exists when one of the following occurs:

1. The member has provided the mayor, the council, or the commission chair a resignation letter.

2. The member is deceased.

3. The member is removed for failure to attend 50 percent or more of meetings or is absent from at least 25 percent of meetings within thirty days of the member's last excused or unexcused absence, in accordance with section 2.41.090.

G. Mid-term vacancies in council-appointed seats will be filled by the council, and mid-term vacancies in mayor-appointed seats will be filled by the mayor."

SECTION 4. Section 2.88.090, Maui County Code, is amended to read as follows:

"Section 2.88.090 Administration. [A.] The director [shall] must appoint the principal archaeologist and a professional from the disciplines of archaeology, architecture, architectural history, Hawaiian culture, history, or historic preservation, who may be an employee of the County, to serve as resources to the commission. The principal archaeologist must act as the liaison [with] to the [state] State historic preservation [office] division pertaining to matters which deal with the purpose and intent of this chapter. [The liaison may be an employee of the planning department or a member of the commission.] The director [shall] must provide technical, clerical, administrative functions, and any other duties delegated by the commission."

SECTION 5. Chapter 19.48, Maui County Code, is amended to read as follows:

"Chapter 19.48

[GENERAL PROVISIONS] MAUI COUNTY HISTORIC DISTRICTS AND CULTURAL OVERLAY DISTRICTS

Sections:

19.48.010	Title and purpose.
19.48.015	<u>Definitions.</u>
19.48.020	Establishment or modification of districts— Report and hearing.
19.48.030	Applicability.
19.48.040	Administration.
19.48.050	Enforcement.
19.48.060	Reserved.

19.48.010 Title and purpose. The ordinance codified in this article [shall be known and] may be cited as the “Maui County Historic Districts and Cultural Overlay Districts Ordinance.” In order to promote the economic, cultural, and general welfare of the people of the [county] County and to [insure] ensure the harmonious, orderly, and efficient growth and development of the [county] County, it is deemed essential by the [county] council that the qualities relating to the history and culture of the [county] County be preserved, thereby creating attractions for visitors and residents alike. Certain geographically definable areas contain a great density of cultural and archaeological resources and development in these areas may disturb cultural, archaeological, and burial sites. Many of these sites are significant and require consideration and careful planning to ensure preservation. This chapter ensures that actions taken within the designated areas are conducted in a manner that will preserve, maintain, and enhance those characteristics that are recognized as culturally, historically, or archaeologically significant, and valuable to the public. Establishment of historic districts and cultural overlay districts also serves to alert developers to the potential for discovery of cultural deposits when there is ground disturbance related to construction and provides for additional review to ascertain and mitigate impacts.

19.48.015 Definitions. The following definitions apply to this article:

“Archaeological eco-indicator” means any organism or physical land feature indicative of an environment or set of environmental conditions relating to cultural resources.

“Commission” means the Maui County cultural resources commission.

“Cultural overlay district” means an area with features that are culturally, historically, or archaeologically significant and where certain additional requirements are superimposed upon a base zoning district or underlying district and where the requirements of the base or underlying district may or may not be altered.

19.48.020 Establishment or modification of districts—
Report and hearing. A. [Historic districts may be modified or extended and new historic districts established, provided in all such cases there shall be a report from the cultural resources commission to the State department of land and natural resources, State historic preservation division. At least one public hearing shall be held by the cultural resources commission.] Any agency, organization, or individual may nominate a historic district or cultural overlay district by completing an inventory of sites within the district,

describing the relationships and significance of sites in accordance with subsection 19.48.020(B), and defining the historic or cultural overlay district boundaries. Upon a determination by the commission that the nomination is complete, the nomination must be forwarded by the commission to the State historic preservation division, appropriate burial council, and the State office of Hawaiian affairs for review and comment. The commission must hold a public hearing on the nomination and make findings regarding the significance of the district. Upon a determination by the commission that a geographically defined area is historically or culturally significant, the commission must forward the nomination and findings to the appropriate planning commission for review and comment. Within ninety days of transmittal, the planning commission must transmit the nomination, the cultural resources commission's findings, and the planning commission's comments to the council. The council may establish a historic district or cultural overlay district by ordinance. A cultural overlay district does not alter the underlying zoning of a property.

B. A historic district or cultural overlay district must be a geographically definable area that possesses cultural significance and exhibits one or more of the following:

1. A pattern or complex of sites.
2. An association with a historic event.
3. An association with an important historic person.
4. A particular type, period, or method of construction, or high artistic value.
5. Importance to native Hawaiian people or to another ethnic group because of associations with cultural practices, traditional beliefs, events, or oral accounts that are important to the group's history and cultural identity.
6. Religious or spiritual value.
7. Consists of or exists in close proximity to a known burial site or burial grounds.

C. The principal archaeologist must prioritize areas for recommendation to the commission for establishment of cultural overlay districts.

19.48.040 Administration. The director [shall] must provide planning, architectural, engineering, secretarial, and other services as [may be] required by the [cultural resources] commission.
