Dear Mayor Victorino:

SUBJECT: Issuance of a Management Right-of-Entry to County of Maui for Brush Clearing and Public Parking Purposes; Keawakapu, Kamaole, Maui, Tax Map Key: (2) 3-9-004:001 por.

We are pleased to advise you that on January 14, 2022, under Item No. D-3, the Board of Land and Natural Resources approved the issuance of a management right-of-entry permit to the County of Maui to allow for the clearing of overgrown brush from an unencumbered portion of TMK: (2) 3-9-004:001, outlined in red, in the attached Exhibit A and for public parking purposes thereon.

The County of Maui is hereby granted a management right-of-entry permit to utilize a portion of State lands consisting of approximately 0.524 acre (more or less) subject to the following terms and conditions:

1. This right-of-entry shall be effective upon signing of this agreement and is valid for one calendar year.
2. County of Maui (Government Agency), its consultants, contractors and/or persons acting for or on its behalf shall procure, at their own cost and expense, and maintain during the entire period of this right-of-entry, from an insurance company or companies licensed or authorized to do business in the State of Hawaii with an AM Best rating of not less than "A- VIII" or other comparable and equivalent industry rating, a policy or policies of general liability insurance or its equivalent, in an amount of at least \$1,000,000 for each occurrence and \$2,000,000 aggregate, and with coverage terms acceptable to the Chairperson of the Board of Land and Natural Resources (Board). The policy or policies of insurance shall name the State of Hawaii as an additional insured and a copy shall be filed with the State of Hawaii, Department of Land and Natural Resources (Department). The insurance shall

cover the entire premises, including all buildings, improvements, and grounds and all roadways or sidewalks on or adjacent to the premises in the use or control of Government Agency, its consultants, contractors and/or persons acting for or on its behalf. Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall furnish the Department with a certificate(s) showing the policy(s) to be initially in force, keep certificate(s) on deposit during the entire period and furnish a like certificate(s) upon each renewal of the policy(s). This insurance shall not be cancelled, limited to scope of coverage, or nonrenewed until written notice has been given to the Department. The Department shall retain the right at any time to review the coverage, form, and amount of the insurance required. If, in the opinion of the Department, the insurance provisions in this right-of-entry do not provide adequate protection for the Department, the Department may require Government Agency, its consultants, contractors and/or persons acting for or on its behalf to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. The Department's requirements shall be reasonable but be designed to assure protection for and against the kind and extent of the risks which exist at the time a change in insurance is required. The Department shall notify Government Agency, its consultants, contractors and/or persons acting for or on its behalf in writing of changes in the insurance requirements and Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall deposit copies of acceptable insurance policy(s) or certificate(s) thereof, with the Department incorporating the changes within receipt of the notice. The procuring of the required policy(s) of insurance shall not be construed to limit Government Agency, its consultants, contractors and/or persons acting for or on its behalf, liability under this right-of-entry nor to release or relieve Government Agency, its consultants, contractors and/or persons acting for or on its behalf of the indemnification provisions and requirements of this right-of-entry. Notwithstanding the policy(s) of insurance, Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall be obligated for the full and total amount of any damage, injury, or loss caused by Government Agency, its consultants, contractors and/or persons acting for or on its behalf negligence or neglect connected with this right-of-entry.

3. At all times herein, Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall keep the right-of-entry area or premises in a strictly clean, sanitary and orderly condition.
4. Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall comply with all of the requirements of all municipal, state, and federal authorities and observe all municipal, state and federal laws applicable to the right-of-entry area or premises, now in force or which may be in force.
5. Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall indemnify, defend, and hold the State of Hawaii, Department of Land and Natural Resources harmless from and against any claim or demand for loss, liability, or damage, including claims for bodily injury, wrongful death, or property damage, arising out of or resulting from: (1) any act or omission on the part of Government Agency, its consultants, contractors and/or persons acting for or on its behalf relating to the use, occupancy, maintenance, or enjoyment of the right-of-entry area or premises by Government Agency, its consultants, contractors and/or persons acting for or on its behalf; (2) any failure on the part of Government Agency, its consultants, contractors and/or persons acting for or on its behalf to maintain the right-of-entry area or premises and areas adjacent thereto in the use and control of Government Agency, its consultants, contractors and/or persons acting for

or on its behalf, and including any accident, fire or nuisance, growing out of or caused by any failure on the part of Government Agency, its consultants, contractors and/or persons acting for or on its behalf to maintain the area or premises in a safe condition; and (3) from and against all actions, suits, damages, and claims by whomsoever brought or made by reason of the non-observance or non-performance by Government Agency, its consultants, contractors and/or persons acting for or on its behalf, of any of the terms, covenants, and conditions of this right-of-entry or the rules, regulations, ordinances, and laws of the federal, state, municipal or county governments.

6. All equipment shall be placed within the right-of-entry area or premises described on the attached map.
7. Government Agency, its consultants, contractors and/or persons acting for or on its behalf shall supply to Land Division a name and local telephone number of the contact person responsible for the project area.
8.
