Accepting applications for South Maui Community Plan Advisory Committee through June ____

LĀHAINĀ, Hawai‘i—Applications for a seat on the South Maui Community Plan Advisory Committee ("CPAC") are now being accepted by the Planning and Sustainable Land Use Committee, Councilmember Tamara Paltin announced today.

Nine of the CPAC's 13 members will be appointed by the council, while four will be appointed by the mayor. Applicants residing in the South Maui community plan area are encouraged to apply, which includes Kihei to Makena.

"It is the intention of the council to appoint committee members who represent a cross section of their community, one that embodies diversity and balance of age, gender, background, profession, heritage, experience, and ideology of all CPAC participants," said Paltin, who chairs the committee.

Experience in land use planning is helpful, but not required.

The application form and other South Maui CPAC related information can be found on the Planning and Sustainable Land Use Committee's page of the County Council's website at www.mauicounty.us/pslu.

Applications must be received or postmarked by 4:30 p.m. on June __, 2022. For additional information, please contact the Planning and Sustainable Land Use Committee staff at 808-270-7161 or 808-270-7668.
