WHEREAS, Section 2.80B.080, Maui County Code, provides as follows:

“A. Each of the County’s nine community plans shall, to the extent practicable, be updated within ten years (decennially) of the respective plan’s adoption. The decision as to the order of updating the nine community plans shall be decided by the council.

B. There shall be a community plan advisory committee for each community plan set forth in section 2.80B.070.B. Except for the community plan advisory committee for the Kahoolawe community plan, each community plan advisory committee shall consist of residents of the corresponding community plan area and shall hold all meetings in the corresponding community plan area.

C. Each community plan advisory committee shall be composed of thirteen members, nine appointed by the council and four by the mayor. The council and the mayor shall give priority to people who have a strong connection to all parts of the corresponding community plan area and have expressed a strong commitment to participate in and attend all committee meetings. Prior or current service as a member of a general plan advisory committee shall not disqualify an individual from serving on a community plan advisory committee. Each community plan advisory committee is charged with reviewing and recommending revisions to the community plan for its community plan area. The mayor and council shall appoint the members of each community plan advisory committee in accordance with the timing established in subsection A and the following procedure:

1. The department of planning shall submit to the council a request to initiate the establishment of a community plan advisory committee, including the requested deadline for appointment of the members.
