Dear Mr. Dorn:

SUBJECT: **SOUTH MAUI COMMUNITY PLAN UPDATE** (PSLU-53)

At its meeting of July 14, 2022, the Council's Planning and Sustainable Land Use ("PSLU") Committee selected you as one of the 18 applicants for further consideration to the South Maui Community Plan Advisory Committee ("CPAC").

The PSLU Committee anticipates finalizing the selection of CPAC members in late August or early September 2022, with dates and times to be determined. Once all 13 members are chosen (nine selected by the Council, four selected by the Mayor), members will be expected to serve for a period of at least six months, which can be extended by the Council. The CPAC will remain in existence until enactment of an ordinance adopting the revisions to the South Maui Community Plan.

We anticipate CPAC meetings to be held in person; however, if COVID-19 restrictions are imposed, the Department of Planning may switch to meeting virtually.

In accordance with Section 2.80B.080(D), Maui County Code, any committee member who has three unexcused absences from scheduled meetings may be removed by recommendation of the committee.

May I please request your written response to the following:

1. Will you be able to attend all CPAC meetings in person?
2. Do you have the capability to meet virtually, if needed?

3. In the event you are not selected, would you be interested in being an unofficial alternate member by following the meetings and joining the CPAC in the event of unforeseen circumstances that results in a vacancy on the CPAC?
4. Can you please provide insight on what influences your decision-making processes?
5. Please cite an example of how you managed to work with others on controversial items with opposing viewpoints. Please explain how you pushed through those difficult situations for the overall good.

May I please request you transmit your response to pslu.committee@mauicounty.us, no later than **July 25, 2022**, and include the relevant Committee item number in the subject line of your response.

May I further request that you attend the PSLU Committee meeting on Wednesday, August 3, 2022, at 1:30 p.m., via the online BlueJeans platform <https://bluejeans.com/149341846> or in person at the Council Chamber.

Should you have any questions, please contact me or the Committee staff (Wilton Leauanae at 808-270-7761, or Clarita Balala at 808-270-7668).

Sincerely,

TAMARA PALTIN, Chair

Aloha,

Thank you for your letter, Here are my answers regarding the South Maui Community Plan Advisory Committee

1. It depends on the dates and times, I am planning to be off island in September and February
2. Yes, I can absolutely meet virtually if needed (this is my preferred way for meetings)
3. Possibly, it depends on how much work will be involved.
4. I keep abreast of local issues and stay informed from local community groups, as well as issues that concern community, economy and the environment
5. I was the Training Director for the IKO - International Kiteboarding Organization which has a network of over 5000 active professional members internationally and wrote a teaching curriculum which was translated into multiple languages with the input and contributions and feedback of the International training organization and their representatives. I was able to aggravate, coordinate, update and re-author the curriculum to create a centralized teaching system that would become the teaching standard for the entire organization. We did this with email correspondence, virtual meetings, and international conclaves of training masters and examiners.

Aloha PSLU Committee,

Please add this to my email sent to the PSLU committee 07/25/2022

1. I do not have confirmed travel dates for September or February so I should be able to attend meetings in person.

5. I was invited by former Maui Parks Director Ka'ala Buenconsejo in 2017 to participate in a series of focus group/participation meetings for the Kanaha Beach Park master plan update. These meetings were held in person from June thru August 2017 in Wailuku. The focus meetings also included group site inspections/walkthroughs at Kanaha Beach Park, we were also given at home assignments for additional knowledge of the Kanaha area. This focus group was made up of fishermen/divers, swimmers, Kanaha Canoe club, recreational watersports users, plant/nature conservationists, planning department consultants, parks staff and a group facilitator. I listened to all input from the various user groups and was able to add valuable recommendations/suggestions which will benefit all user groups for the upcoming Kanaha Beach Park master plan project.

Mahalo for your consideration,

David Dorn
