I'm writing in STRONG SUPPORT for Bill 105, TO ESTABLISH POLICIES RELATED TO THE DEPARTMENT OF AGRICULTURE

Aloha Committee: I am in strong support of Bill 105 establishing policies related to Maui County Dept of Agriculture. Roles and Responsibilities must be clearly defined for the new Department to be successful working for the future of Ag in Maui County. As a member of the Community Impact Working Group, I experienced and shared the hundreds of hours that volunteers devoted to these areas of need and reporting requirements. These recommendations developed by Ranchers, Farmers and Community members are the foundation for the policies of our new Department. These recommendations are in alignment with Community Plan recommendations. Mahalo, Bill Greenleaf...Greenleaf Farm...Makawao
