GENERAL COMMUNICATION NO. 22-5

### **Liloa Hale Annual Report - 2022**

Since receiving council approval of its 2.97 application in September of 2020, the development team for Liloa Hale has worked diligently to secure state and federal financing for the project. In February of 2022, a joint application was submitted to the Hawaii Housing Finance and Development Corporation (HHFDC) for 4 % Federal and State Low Income Housing Tax Credits (LIHTC), tax-exempt private activity bonds, and Rental Housing Revolving Fund. In August of 2022, the project received all requested financing awards.

Now that the project's financing award from HHFDC is in place, the development team has kicked off the production of working drawings in preparation for a submittal to the planning department for its building permit. It is currently estimated that the project's drawings will be sufficiently complete to submit to planning in the fourth quarter of 2022.

The 2.96 workforce housing agreement and the Maui County Affordable Housing Fund loan documents are currently being processed with DHHC. Drafts of documents have been prepared and are currently in negotiation.

If DHHC has any questions regarding the project that have not been covered here, please reach out to Monte Heaton at (424)258-2910.
