What is PARK MAUI

Parking management program for our island's most heavily utilized areas.

Parking management strategies optimize the utilization of parking resources while making parking easy, convenient and accessible.

Will implement incrementally and adjust based on data.

Revenue reinvested into County Improvements via revolving fund.

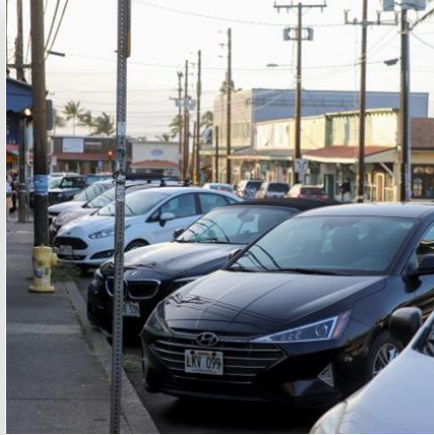

We value your feedback! Visit www.parkmaui.com

Program Objectives

Positive

Parking is often the first and last experience at a destination.

Community-Oriented

Minimize congestion at popular destinations and protect sensitive resources.

Sustainable

Revenue reinvested into County improvements.

Adaptable

Data-driven decisions to adjust and expand over time

We value your feedback! Visit www.parkmaui.com

Will I have to pay?

FOR RESIDENTS

FREE PARKING at beaches
and parks **at all times**

2 HOURS FREE/DISCOUNTED
PARKING in town locations

**In commercial areas, paid parking
will improve turnover and access**

Everyone will be required to pay, but there will be
some free and discounted parking for residents

Employees will have affordable off-street
alternatives

Paid parking operating times will allow for free
parking in the morning.

Can I reserve a parking spot?

No, parking is first-come, first-serve

There will be no pre-booking or reserved parking spaces for visitors or residents

We value your feedback! Visit www.parkmaui.com

How will enforcement know I am a resident?

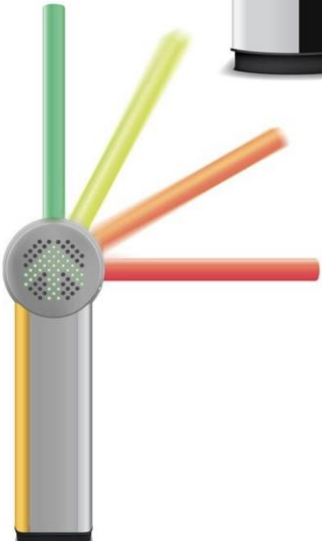

Scanning of driver's license

Pre-registration optional

How would you like to register for free parking at County Beaches?

How will paid parking help?

Paid parking will:

- Encourage parking at underutilized locations
- Create more turnover and parking availability
- Generate revenue to reinvest into the stewardship of our County lands

Right now, congestion at beaches and commercial towns often limits access

This program is meant to manage parking demand, mitigate congestion, and most importantly prioritize local communities needs.

Poll Questions

Do you have a Maui zip code on your driver's license?

Yes

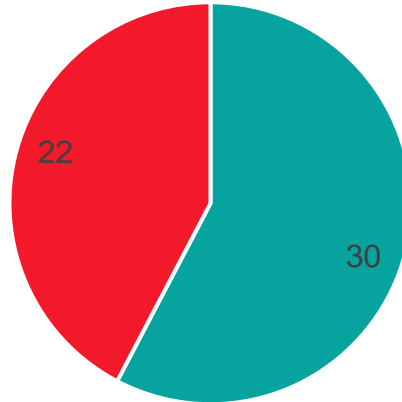

No, but I have a zip code elsewhere in the State of Hawaii

I am not a Hawaii resident

I do not have a driver's license

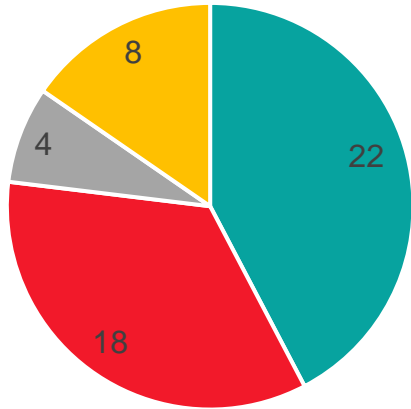

With the understanding that paid parking revenue will be reinvested into County improvements, what should the criteria be to qualify as a resident for free or discounted parking?

Driver's license with a Maui zip code
Driver's license with a Hawaii zip code

Paid parking revenue will go into a revolving fund to be reinvested into County improvements, based on the following categories. Which of the following do you think should be the top priority for the County?

Expanding, enhancing, and supporting public transportation, pedestrian, and bike infrastructure or programs

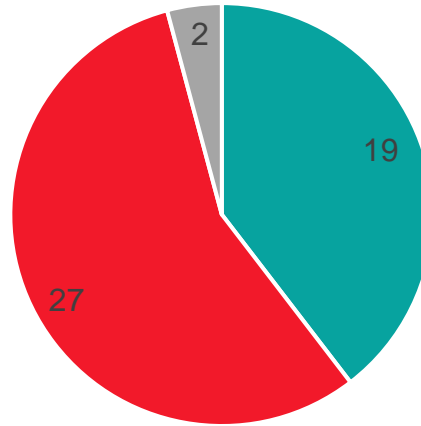

Maintaining County parks

Improving safety, wayfinding or maintenance of neighborhood business districts

Protecting and/or acknowledging cultural and environmental sites

Which would be your preferred method to register as a resident?

Mobile app
Online website
At a kiosk

What we heard

- Incorporate adequate bike parking
- Property owners without Maui County residency would like the resident benefit
- Incorporate EV chargers
- Concern about spillover onto streets
- Implement a park and ride program
- Parking funds in Lahaina should be used to invest into cultural preservation
- Please perform indigenous consultation before implementation

What we heard

- Concern about clearly defined, measurable metrics to evaluate the program
- Hana Highway needs a solution
- Observation that Ulua/Mokapu, Wailea and Keawekapu do not have a parking problem
- Build more parking instead of charging for parking at beach parks
- Implement a parking program near Napili Bay and Lahaina Town
- Suggestion that to be considered a resident, they must be full-time Maui residents
- Paia needs a parking program

What we heard

- Concern the program will create negative sentiment
- Concern over a possible requirement to use a smartphone
