## STATE OF HAWAII HIGHWAY SAFETY OFFICE GRANT AGREEMENT -- PART III

Grant No: TR22-M-07

Page 3 (To be completed by Highway Safety Office)

19. Addendum

This addendum increases the Contractual/Consultant Services cost from \$450 to \$3,266.02, to fund user licenses for the eCitation pilot program. The grant budget had inadvertently included only enough funding for one user license, even though their proposal had requested funding for seven user licenses. This grant and the FFY 2022 Highway Safety Plan were approved with the seven user licenses.

The new total for this grant project is \$8,491.02.

The scope of the project remains unchanged.
