Dear Mr. Martin:

Enclosed for your action is a copy of the approved highway safety reimbursement project No. TR23-M-07, entitled "Maui County Prosecutor's Office Traffic Records." A total of \$8,739.00 has been obligated to the project.

The grant funds will be used toward the purchase of user licenses for the E-citation pilot project on Maui. The funds will also be used for travel to the International Forum on Traffic Records, as well as to attend E-citation subcommittee meetings.

Progress reports must be submitted quarterly within 15 days (ending December, March, June and September) and a final report must be submitted within 30 days of the end of the grant period. A quarterly report must be submitted even if no activities were done during that quarter. Reimbursement claims must be submitted in accordance with the agreement (monthly or quarterly) by the 20th of the month following the claim period. A claim must be submitted even if no expenditures were made.

This grant will be funded using National Highway Traffic Safety Administration Fixing America's Surface Transportation Act Section 402, Bipartisan Infrastructure Law (BIL), Section 402 and/or BIL Section 405c program funds. Due to the federal budgeting process, the program funding source is subject to change. The project is subject to the audit requirements of 2 Code of Federal Regulations §200 Subpart F. Note that the Assistance Listings Number [formerly known as Catalog of Federal Domestic Assistance (CFDA) Program Number] and Title that this project should be associated with, in the Schedule of Federal Assistance Programs section of your single agency audit report are: Department of Transportation/CFDA 20.616 – National Priority Safety
