You will pay all applicable sales tax on the amount of each of your payments to Progressive Leasing.

What to expect from your new mattress.

The Adjustment

Just like a new pair of shoes, it takes time to adjust, it can take up to 8 weeks for your body to adjust to a new mattress. We recommend a period of 30-60 days for your body to adjust to your new mattress. After all, you have the entire 120 Night Sleep Trial to fall in love.

The Early Impression

Your new mattress will begin to conform to your body immediately, and impressions will form over time. Just like the insole of a new shoe; if performing correctly, it will conform to your body. This is normal and does not reflect a defective mattress.

The Height

Your new mattress set may be taller or higher than your previous set. A low-profile box spring is recommended for mattresses over 14". We also recommend using deep pocket sheets, which are designed for thicker beds.

The Foundation

Every mattress needs proper support underneath it. King and queen mattress sets need frames with middle support.

The Smell

You may notice a smell from the new materials and foams, so we recommend airing out your mattress. The smell will dissipate within a few days.

The Differences

You may notice small differences between your new bed and the in-store model. Small imperfections such as scuffs, blemishes or loose threads are normal and don't affect the warranty or comfort of your bed.

The Temperature

Some features, such as cooling material, will be less effective when used with non-breathable or synthetic sheets, comforters, or mattress covers. Direct sunlight, proximity to windows, and room temperature can also affect the materials performance.

We recommend the use of a mattress protector or encasement for all new mattresses to protect the surface, fabric from damage, spills, and discoloration, as these will invalidate the manufacturer's warranty.

MATTRESSFIRM®

For additional warranty information and to learn more about how to protect your mattress, visit mattressfirm.com

120 NIGHT SLEEP TRIAL – It will take time for your body to adjust to your new mattress, so you should sleep on it for a minimum of 30 nights to allow for this adjustment period. If you are not comfortable within 120 nights of the original mattress delivery date, we will do our best to match you to the right mattress. Subject to the above restrictions, our 120 Night Sleep Trial is valid for one return and/or one exchange per purchase, which must be done within 120 days of the delivery date of your original mattress. You may exchange your mattress once, with a redelivery fee of \$99.99*. If you still aren't satisfied with your new mattress, you can return it with a return delivery fee of \$99.99*. Mattress Firm is unable to exchange or refund stained, unsanitary or damaged mattresses under the 120 Night Sleep Trial. Mattress Firm highly recommends using a waterproof mattress protector to help keep your new mattress clean. In addition, we recommend keeping all original tags on your mattress. Do not remove the law tag from the mattress or foundation, as it will void the 120 Night Sleep Trial. Please note that our 120 Night Sleep Trial is not valid on warranty exchanges, clearance merchandise, floor models, pillows, mattress protectors, adjustable bases, furniture or other accessories. See a store associate or contact one of our live chat customer service representatives on our website for more details.

- **We are unable to deliver to locations with any indication of insect infestation.**

120 NIGHT LOW PRICE GUARANTEE – We guarantee the best brands at the best prices. Subject to the following terms, we will beat any advertised price by 10%—or your purchase is free. If you find the same—or a comparable—mattress set advertised for less than your invoiced price within 120 days of purchase, simply bring the advertisement to a Mattress Firm store and we will credit your account or mail a refund check for the price difference, plus 10% of the total price within three weeks. Our 120 Night Low Price Guarantee does not apply to clearance items, floor models, vendor roll backs/rebates, special purchases, promotional items, door busters or discontinued merchandise. Merchandise offered for sale on auction sites (e.g., eBay, Craigslist, etc.) is excluded from the 120 Night Low Price Guarantee.

SAFETY FIRST – If a customer returns his or her mattress during the 120 Night Sleep Trial or because of the manufacturer's warranty, Mattress Firm's delivery drivers are to inspect the mattress and its foundation prior to return or exchange. If your bed is found to be unsanitary, stained, damaged by you or contaminated with insects, the product cannot be exchanged or returned for a refund. Mattress Firm drivers are not allowed to remove contaminated mattresses or foundations.
