Please indicate why you are interested in serving and what skills you may have to contribute:

As a former program coordinator for an underage drinking prevention program, I understand the importance of the rules and regulations for alcohol sale and consumption that keep our community safe. Now that I work in an alcohol-serving establishment, it is even more important for me now to assure the safety of our guests by adhering to these rules. My service to the community through the LCAB would give me a new avenue to serve the people of Maui.
