## GENERAL BUDGET PROVISIONS

SECTION 5. **E/Ps and LTAs.** An “E/P” or equivalent personnel is the decimal equivalent of a full-time position. A full-time position is equal to 2,080 scheduled hours of work during the fiscal year. All positions are computed as an equivalent of 2,080 scheduled hours of work; 1.0 E/P equals 2,080 hours. This method of computing the number of authorized personnel in a department or program must not be construed to grant to an incumbent in a position any rights beyond those provided by law or collective-bargaining agreement. All positions must be identified by an E/P designation. Disbursement must be limited to the total number of E/Ps identified in a program appropriation. Any transfer of E/Ps from one program to another must be approved by ordinance.

“LTA” or Limited Term Appointment means an appointment that is made from an eligible list or through a non-competitive promotion, transfer, or demotion for a specified temporary period.

SECTION 6. **Salaries and premium pay.** Appropriations for salaries and premium pay may be disbursed within the pertinent office, department, agency, or program for the following:

(A) a temporary position to functionally replace a permanent employee who is on long-term leave or who has been temporarily assigned to replace a permanent employee who is on long-term leave; disbursement must be limited in duration to the leave of the permanent employee who is on long-term leave; and

(B) trainee positions for which there is an existing or anticipated vacancy and for which hiring and replacing is critical to continued operations, if funds are available.

SECTION 7. **A and B accounts.** Unless otherwise provided in this ordinance, appropriations for each program may be disbursed for the following categories of use, if the disbursement is within the program and category of use for which it was appropriated:

(A) salaries, premium pay, or reallocation pay; and

(B) operations or services, and equipment.

Furthermore, the Budget Director must submit to the Council a quarterly report on all unbudgeted equipment purchased during the Fiscal Year.

Disbursement for salaries, premium pay, and reallocation pay must include temporary assignment pay, overtime pay, night differential pay, hazard pay, standby pay, emergency call back pay, reallocations, and reclassifications. Funds must not be disbursed for reallocations and reclassifications that involve a change in supervisory duties and responsibilities until the County Council receives written notice setting forth:

(A) an explanation of the reasons for the change; and

(B) organizational charts showing the existing organization and the proposed organization of the department.

The Administration must notify the County Council of any reallocation or reclassification when a position is transferred from the blue-collar compensation plan, white-collar non-professional compensation plan, white-collar professional compensation plan, uniformed fire compensation plan, or uniformed police compensation plan to a different compensation plan. An explanation of any temporary assignment, temporary transfer, and temporary allocation that is expected to be in effect for more than 30 days must be provided to the County Council. Receipt of written notice by the County Clerk constitutes receipt by the County Council. Any amounts appropriated as County matching funds may be encumbered and disbursed for operations, services, or equipment. Furthermore, funds from the Countywide Self Insurance Program may be encumbered and disbursed for the replacement of motor vehicles and other equipment relating to insurance claim reimbursements.

Appropriations may be disbursed by a department to reimburse another department for work performed.

**SECTION 8. General obligation bonds.** General obligation bonds appropriated in this ordinance need not be authorized contemporaneously with this ordinance to be included as estimated revenues. Any increase or decrease in revenues or any increase or decrease in appropriations to any department or program, any transfer of funds from one department to another, or any transfer of funds within a department must be made in accordance with law.

SECTION 9. **County and State laws.** All provisions of law contained in the Maui County Code and Hawaii Revised Statutes that affect the expenditure of the revenues from the rates, fees, assessments, and taxes in this ordinance are incorporated into this ordinance. All provisions of law limiting the expenditure of fund revenues are incorporated into this ordinance.

SECTION 10. **Capital improvement projects.** Project descriptions for each capital improvement project is described in Appendix C.

SECTION 11. **Grant revenues.**

(A) The grant revenues itemized in Part I of Appendix A that include revenues from grants and revenues with restricted uses, are expected to be derived by the County from Federal, State, or private sources during Fiscal Year 2024. These grant revenues are appropriated in the amounts set forth in Part I of Appendix A to the programs and uses identified in this ordinance, subject to the following conditions:

(1) The Administration must be in receipt of notification from the grantor:

(a) providing a grant award or a statement that the grant award will be forthcoming; and

(b) that the County is authorized to incur costs in accordance with the grant award; and

(2) The Administration must provide written notice to the County Council, attaching a copy of the notification from the grantor.

Salaries and premium pay for equivalent personnel are compensated based on the terms or rules and regulations of the grant. Limited term personnel are deemed appropriated for the entire duration of the grant. Unless specifically authorized, grant revenues must not be used for salaries and personnel services for a County position.

(B) Subject to the requirements of this section, the Mayor is authorized to execute any documents to receive and expend the funds for the grants and programs identified in Part I of Appendix A.

(C) Grant revenues derived during Fiscal Year 2024 that are not included in Part I of Appendix A are subject to Sections 12 and 13, as may be appropriate.

SECTION 12. **Additional grant revenues.** Whenever the County is notified that grant revenues are available from Federal or State sources for programs other than those identified in Part I of Appendix A, the County Council may authorize the acceptance of the revenues by adding the revenues to Part I of Appendix A. The following procedure must apply:

(A) These grant revenues are deemed appropriated upon enactment of an ordinance adding the estimated revenues to Part I of Appendix A; provided, that disbursement is conditioned on:

(1) receipt of a notification of grant award from the grantor, or receipt of notification from the grantor that the grant award will be forthcoming and that the County is authorized to incur costs in accordance with the grant award; and

(2) written notice to the County Council, to which a copy of the notification from the grantor is attached.

(B) Subject to the requirements of this section, the Mayor is authorized to execute any documents to receive and expend the funds for the programs identified in the grant award.

SECTION 13. **Donations.** Whenever the County receives a donation of money from private sources not provided for in Part I of Appendix A, the County Council may approve its acceptance and authorize its expenditure in accordance with Chapter 3.56, Maui County Code.

SECTION 14. **Special purpose revenues.** The special purpose revenues set forth in Part II of Appendix A are expected to be on hand as of June 30, 2023, or derived by the County during Fiscal Year 2024, from the programs or activities described in the Revised Charter of the County of Maui (1983), as amended, Maui County Code, or Hawaii Revised Statutes at the references set forth under A through BB in this ordinance. The balance remaining in each of the revolving or special funds as of June 30, 2023, is reappropriated to the particular fund. Revenues derived from the particular program or activities during the fiscal year must be deposited into the applicable special purpose

revenue fund. Expenditures from a fund must be through appropriations set forth in Part II of Appendix A.

SECTION 15. **Fees, rates, assessments, and taxes.** The fees, rates, assessments, and taxes in Appendix B are adopted.

SECTION 16. **Schedule of concessions, leases, and licenses.** The schedule of concessions, leases, and licenses in Appendix B-1 is adopted.

SECTION 17. **Estimated funds.** The several amounts listed below are declared to be the estimated encumbered County funds as of June 30, 2023, and unencumbered County funds on hand as of July 1, 2023. The estimated amounts set forth in this section are shown in accordance with Section 9-3 of the Revised Charter of the County of Maui (1983), as amended. The actual amounts of any encumbered and unencumbered funds that the County will have on hand as of June 30, 2023, will be set forth in the Annual Comprehensive Financial Report.

Encumbered funds:	\$342,939,962
Unencumbered funds (carryover/savings)	\$74,081,304

SECTION 18. **Transfers and loans.** For the purpose of this section, “County fund” excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or special purpose funds. If there is money in any County fund that the Director of Finance determines to be in excess of the amount necessary for the fund’s immediate requirements, the Director of Finance may make a temporary transfer or interest-free loan from the fund to the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund, if the transfer or loan will not impede the County’s necessary or desirable financial operation. The amount of temporary transfers or loans must not exceed the amount of general obligation bonds, state loans, or notes authorized but not issued. At any time, the aggregate amount of transfers and loans that must be unreimbursed must not exceed \$55,000,000. Money transferred or loaned must be expended only for appropriations from the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund, which appropriations are specified to be financed from the sale of general obligation bonds or notes. The fund from which transfers or loans are made must be reimbursed from time to time, in whole or in part, as determined by the Director of Finance, and must be reimbursed from the proceeds of the sale of general obligation bonds, notes, or state loans, when issued. Within 30 days after the date each transfer or loan is made, the

Director of Finance must provide the following information to the County Council:

(A) the amount of each transfer or loan made to date and the accumulated total;

(B) the budgetary bonding authorization for each transfer or loan made to date; and

(C) the time schedule for the sale of proposed general obligation bonds, notes, or state loans proposed for reimbursement or repayment of each transfer or loan made to date.

Proceeds of tax-exempt general obligation bonds, state loans, or notes may be applied to reimburse or repay a transfer or loan that was used to fund public improvement costs paid before the issuance date, if the expenditure was:

(A) not made prior to 60 days before the County's adoption of a declaration of official intent to finance the public improvement or the approval by ordinance authorizing the projects to be funded with general obligation bonds, notes or state loans,

(B) not made more than 18 months prior to the issuance date or the date the public improvement funded by the transfer or loan was placed-in-service, whichever is later, and

(C) not made more than three years prior to the issuance date, unless the cost is attributable to a "preliminary expenditure." For this purpose, preliminary expenditure means architectural, engineering, surveying, soil testing and similar costs incurred prior to the commencement of construction or rehabilitation of the public improvement funded by the transfer or loan, but does not include land acquisition, site preparation and similar costs incident to the commencement of acquisition, construction or rehabilitation of the public improvement funded by the transfer or loan. Preliminary expenditures funded with proceeds of tax-exempt general obligation bonds or notes may not exceed 20 percent of the issue of tax-exempt general obligation bonds or notes.

The Budget Director must consult with the Director of Finance from time to time as to the timing and eligibility of accrued expenditures eligible for reimbursement by tax-exempt general obligation bonds or notes. The Budget

Director must annually provide the Director of Finance with a list of capital expenditures to be financed from the proceeds of tax-exempt general obligation bonds, notes, or state loans prior to their final inclusion in the County's annual budget.

Nothing in this ordinance precludes the County from reimbursing temporary transfers or loans from taxable bonds or notes.

At the close of each quarter, the Director of Finance must submit to the County Council a Combined Statement of Cash Receipts and Disbursements showing for each month for each individual fund the cash balance at the start of the accounting period, the cash receipts and disbursements during the period, and the cash balance at the end of the period. Within 45 days after the close of each quarter, the Director of Finance must submit a separate report showing the accumulated balance of any fund or account that exceeds \$100,000, and which would be available for appropriation upon certification by the Mayor.

Within 45 days after the end of each quarter, the Director of Finance must submit to the County Council a report of the Countywide capital improvement projects for which an appropriation has been made, that includes a breakdown of all expenditures made the preceding quarter and a brief description of each expenditure, by CBS number and project title.

Furthermore, the Managing Director must submit to the County Council a report of all capital improvement projects for which an appropriation has been made, that includes a brief description of the status of each project, and the estimated start and completion date of the project.

**SECTION 19. Establishment of accounts.** The Director of Finance is authorized to establish appropriate individual and separate accounts for receipts and expenditures except as otherwise provided in this ordinance. The Director of Finance is authorized to establish accounts for items of receipt and expenditures for the departments, agencies, or divisions as required by law to establish accounting and financial procedures under utility and other enterprise fund accounting.

**SECTION 20. Transfer of appropriations from countywide costs to a department.** The Director of Finance is authorized to transfer appropriations from programs under countywide costs to a department if:

(A) generally accepted accounting principles require the transfer to properly reflect the financial accounting of the department;

(B) the total appropriation transferred must not exceed the appropriation of the respective program in countywide costs; and

(C) the County Council is notified of the transfer with an explanation of the action. Receipt of written notice by the County Clerk constitutes receipt by the County Council.

SECTION 21. **Penalties.** Whoever intentionally or knowingly violates this ordinance may, upon conviction, be fined not more than \$1,000 or imprisoned not more than 30 days, or both.

SECTION 22. **Self-insurance coverage adjustment.** If a court of competent jurisdiction holds any appropriation in this ordinance invalid, the appropriation for the County's self-insurance coverage must be adjusted to the extent necessary to maintain the equality of estimated revenues, proposed expenditures, and total appropriations, as required by Section 9-5 of the Revised Charter of the County of Maui (1983), as amended.

SECTION 23. **Severability.** If a court of competent jurisdiction holds any appropriation in this ordinance invalid, the invalidity does not affect other provisions or applications of the ordinance that can be given effect without the invalid provision or application.

SECTION 24. **Effective date.** This ordinance takes effect on July 1, 2023.

APPROVED AS TO FORM AND LEGALITY:

The cost of issuance of the Bonds or any series thereof, including without limitation, the initial fee of paying agents and registrars, the fees of financial consultants and bond counsel, the cost of preparation of any Official Statement relating to the Bonds, any notices of sale and forms of bid and the definitive Bonds, and the costs of publication of any notices of sale, may be paid from the proceeds of the Bonds or any series thereof and such costs shall be allocated pro rata to each of the foregoing projects financed from such proceeds.

SECTION 3. Details of Bonds. The Bonds authorized for issuance and sale in Section 1 hereof shall be issued and sold in their entirety at one time, as a separate issue or as part of an issue of general obligation bonds of the County, or from time to time in part in series, as shall be determined by the Director of Finance to be in the best interest of the County; provided, however, nothing herein shall prohibit or be deemed to prohibit the issuance and sale of all or part of the Bonds contemporaneously with the issuance and sale of other authorized general obligation bonds either as part of the same series or as separate series. The Bonds shall be issued in fully registered form without coupons and in the denomination of \$5,000 or any integral multiple thereof. The Bonds of a given series shall be numbered in any manner as the Director of Finance shall determine. The Director of Finance is hereby authorized to determine, in accordance with and subject to the provisions of the Constitution of the State of Hawai'i, Chapter 47, Hawai'i Revised Statutes, as amended or other applicable law and this ordinance, the series designation of the Bonds; the date of the Bonds; the principal and interest payment dates of the Bonds and the record dates of holders of the Bonds entitled to receive such interest payments; the maturity dates of the Bonds; the amount of principal of the Bonds maturing on each maturity date; the place or places at which the Bonds may be paid or registered, which may include the office of the Director of Finance; whether the Bonds shall be in book-entry form; and whether or not the Bonds shall be subject to redemption prior to their stated maturities and, if subject to such prior redemption, the provisions for such prior redemption, the premiums (if any) payable upon such redemption and the respective periods in which such premiums are payable.

SECTION 4. Redemption of Bonds. If any Bond (or portion thereof in installments of \$5,000 or any integral multiple thereof) is to be redeemed, notice of redemption shall be given in such manner as the Director of Finance shall determine. If any Bond shall have been duly called for redemption and notice of such redemption duly given as aforesaid, and if moneys for the payment of such Bond at the then applicable redemption price and the interest accrued on the principal amount thereof to the date of redemption are made or duly provided for by the County, interest on such Bond shall cease to accrue and become payable from and after the date fixed for redemption.

SECTION 5. Registration, Exchange and Transfer of Bonds. At all times during which any Bond of any series remains outstanding and unpaid, the registrar for such series shall keep or cause to be kept at its designated office bond registration books for the registration, exchange and transfer of such series of Bonds. Upon presentation at its designated office for such purpose the registrar, under such reasonable provisions as it may prescribe, shall register, exchange or transfer, or cause to be registered, exchanged or transferred, on the bond registration books the Bonds of such series as hereinbefore set forth. The bond registration books shall at all times be open for inspection by the County or any duly authorized officer thereof.

Any Bond of any series may be exchanged at the designated office of the registrar for such series of Bonds for a like aggregate principal amount of such Bonds in other authorized principal sums of the same series, interest rate and maturity. Any Bond of any series may, in accordance with its terms, be transferred upon the bond registration books by the person in whose name it is registered, in person or by such person's duly authorized agent, upon surrender of such Bond to the registrar for such series for cancellation, accompanied by a written instrument of transfer duly executed by the registered owner in person or by such owner's duly authorized agent, in form satisfactory to the registrar.

All transfers or exchanges pursuant to this Section shall be made without expense to the holder of such Bonds, except as otherwise herein provided, and except that the registrar for such series of Bonds shall require the payment by the holder of the Bond requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange. All Bonds surrendered pursuant to this Section shall be canceled.

No transfer or exchange of Bonds shall be required to be made during the fifteen (15) days next preceding an interest payment date for such series of Bonds, nor during the forty-five (45) days next preceding the date fixed for redemption of such Bonds.

Whenever any Bond of a series shall be surrendered for transfer or exchange, the County shall execute and deliver at the designated office of the registrar for such series, and the registrar shall prepare and authenticate, and send by registered mail to the owner or new owner thereof at such owner's request, risk and expense, a new duly executed Bond or Bonds of the same series, interest rate and maturity and for the like aggregate principal sum registered on the bond registration books in such manner as the owner or transferee, as the case may be, may request.

SECTION 6. Execution and Form of Fully Registered Bonds. The Bonds shall bear the manual or facsimile signatures of the Director of Finance or the Deputy Director of Finance and the Mayor of the County and shall be sealed with the seal or a facsimile seal of the County. The Director of Finance may, at the Director's election, sign or direct the Deputy Director of Finance to sign such number of Bonds of any series as the Director of Finance shall determine and deliver such signed Bonds to the registrar for such series for safekeeping prior to the time such Bonds are actually issued, exchanged or transferred. Unless the Director of Finance is the registrar, the Director of Finance shall direct the

registrar for the Bonds of a given series to authenticate such Bonds and no such Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication endorsed on each Bond shall have been manually executed by any authorized officer of the registrar. It shall not be necessary that any Bonds which are manually signed by the Director of Finance, and for which the Director of Finance is the registrar, bear any such certificate of authentication. Upon the registration of any Bonds the registrar shall insert on such Bonds the date as of which such Bonds are registered.

Bonds may be printed, typewritten or otherwise produced. The form of the Bonds, the registrar's certificate of authentication and the instrument of assignment shall be substantially as follows with such appropriate insertions, variations, and omissions as are required with respect to a particular series of Bonds:

SECTION 7. Sale of Bonds. Without any further authorization from or action by the Council, but subject to the provisions hereof including in particular those limitations set forth in Section 3 and of applicable law, the Director of Finance is hereby authorized to issue and sell the Bonds at one time or from time to time in series at competitive sale or at negotiated sale in accordance with Section 47-8, Hawai'i Revised Statutes, as amended, in each case at such price or prices and upon such terms and conditions as the Director of Finance shall approve and determine to be in the best interest of the County. Without limiting the generality of the foregoing, with respect to the sale of the Bonds or of portions of the Bonds, the Director of Finance is hereby authorized to retain bond counsel,

paying agents, registrars and financial and accounting consultants, upon such terms and conditions as the Director of Finance shall deem advisable and in the best interest of the County, to select the date for such sale, to publish and distribute a Notice of Sale or to enter into a contract for the sale of the Bonds or portions thereof, in each case in such form and containing such terms and conditions as the Director of Finance shall approve and deem advisable, to distribute an Official Statement and such other information relating to the Bonds as the Director of Finance may deem advisable, to receive bids for the sale of the Bonds or the portion thereof being offered and to award the sale of the Bonds or the portion thereof being offered to the bidder offering the lowest interest cost therefor, in accordance with the applicable Notice of Sale, if any; provided that the Director of Finance may reserve the right to reject any and all bids. Subject to the provisions of Section 3 hereof, without further action of the Council, the Bonds shall bear interest at the rates per annum as specified in the contract or contracts approved or in the bid or bids accepted.

The Director of Finance and all officials of the County are hereby authorized to take such action and execute such orders, receipts and other documents as may be necessary in order to effectuate the sale of the Bonds or any portion thereof, and, if any contract therefor be approved or any bid therefor be accepted, the preparation, execution and delivery thereof, in accordance with the provisions hereof and applicable law. Subsequent to the sale of the Bonds, the Director of Finance shall report the results of such sale to the Council by letter.

SECTION 8. Authorization of Bond Anticipation Notes. General obligation bond anticipation notes are hereby authorized for issuance and sale by the Director of Finance in anticipation of the issuance and sale of the general obligation bonds authorized herein. The issuance and details of the notes shall be governed by the provisions of Section 47-16, Hawai'i Revised Statutes, as amended. Bonds in anticipation of which bond anticipation notes are issued pursuant to this section may be issued and sold in accordance with the provisions of this ordinance at any time within five years of the date of issuance of the first notes issued in anticipation of such Bonds.

The proceeds derived from the sale of any notes issued in anticipation of the Bonds shall be used to pay all or part of the cost of any appropriation for the various public improvements set forth in Section 2.

SECTION 9. Security for the Bonds. The full faith and credit of the County are hereby pledged to the payment of the principal of and interest on the Bonds and the principal and interest payments shall be a first charge on the General Fund of the County. Pursuant to Chapter 47, Hawai'i Revised Statutes, as amended, particularly Part I thereof, the County shall levy ad valorem taxes without limitation as to rate or amount on real property subject to taxation by the County, sufficient to pay principal of and interest on the Bonds as they become due. This ordinance shall constitute an agreement by the County with the holders of the Bonds authorized pursuant to this ordinance; provided that amendments may be made to this ordinance as may be necessary to correct errors, comply with the Internal Revenue Code of 1986, as amended, to otherwise

protect the security for the bonds, or such other amendment that does not materially and adversely affect the interests of the holders of the Bonds.

SECTION 10. Tax Covenant and Approval of Issuance of Bonds as Tax-Exempt or Taxable Bonds. The Bonds (and any previously authorized but unissued general obligation bonds) (the "Authorized Bonds") are hereby authorized to be issued, in whole or in part, and in any combination, including one or more separate issues or series, as either tax-exempt bonds ("Tax-Exempt Bonds") or federally taxable bonds ("Taxable Bonds"). The Director of Finance shall determine and elect, based on the best interests of the County, which portions of the Authorized Bonds (including any previously authorized but unissued general obligation bonds) shall be designated and issued as Tax-Exempt Bonds or Taxable Bonds. Previously authorized but unissued general obligation bonds are hereby expressly authorized to be issued as Tax-Exempt Bonds or Taxable Bonds and in this regard any portion of any ordinance or resolution of the County in conflict with this Section is hereby amended.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Tax-Exempt Bonds, the County hereby covenants and agrees to comply with the provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended ("Code"), and the applicable Treasury Regulations if and to the extent required to maintain the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes for so long as any Tax-Exempt Bond shall be outstanding.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Taxable Bonds, the interest on such Taxable Bonds shall not be excluded from gross income for federal income tax purposes.

SECTION 11. Reimbursement of Expenditures. The County expects that it will pay certain capital expenditures in connection with the public improvements of the County described in Section 2 hereof prior to the issuance of the Bonds, and reasonably expects to reimburse such expenditures from the proceeds of such Bonds. The County hereby declares its official intent to use proceeds of the Bonds to reimburse itself for future expenditures in connection with such public improvements. This ordinance is adopted in part for purposes of establishing compliance with the requirements of Section 1.150-2 of the Treasury Regulations.

This ordinance shall be reasonably available for inspection by the general public during normal business hours at the offices of the County Clerk, located at 200 South High Street, Wailuku, Maui, Hawai'i, commencing within fifteen (15) days after the approval hereof by the Council.

SECTION 12. CUSIP Identification Numbers. The Director of Finance may authorize the printing of CUSIP identification numbers upon the Bonds. Such numbers and the printing thereof shall be subject in all respects to the provisions of Section 47-10, Hawai'i Revised Statutes, as amended.

SECTION 13. Bond Insurance. If the original purchaser of the Bonds, or any portion thereof, shall procure insurance for the payment of the principal of and interest on such Bonds and desires that a statement with respect to such insurance shall be printed upon such Bonds, space shall be provided on the backs of the printed Bonds for the printing of such statement. The cost, if any, of the printing of any such statement upon the Bonds shall be at the expense of such original purchaser, and the County shall not have any liability with respect thereto. Should the procuring of such insurance or the printing of a statement of such insurance upon the back of the Bonds cause a delay either in the printing of the Bonds or in the delivery of and payment therefor, the County, after notifying the original purchaser of the same, shall proceed with the printing of such Bonds without a copy of such statement thereon, or shall proceed with the delivery of such Bonds without such insurance having been obtained, as the case may be, unless an agreement is reached between the County and the original purchaser of such Bonds extending the date of delivery of and payment for such Bonds. Neither the failure by the original purchaser of the Bonds to obtain any such insurance nor the failure to print on any Bonds a copy of a statement of insurance or any error with respect thereto shall constitute cause for failure or refusal by the original purchaser of the bonds to accept delivery of and pay for such Bonds. If any such insurance on the Bonds shall be obtained by the original purchaser of such Bonds, (a) such insurance shall not constitute a part of the contract by and with the County evidenced by a particular Bond or constitute a part of the proceedings providing for the issuance thereof, and (b) no liability or responsibility shall attach to the County or any officer or agent thereof in any way by reason of any such insurance, including, without limiting the foregoing, with respect to the procuring, maintenance, enforcement or collection thereof. Without limiting the effect of the provisions of the preceding sentence, the County shall be under no obligation to take or refrain from taking any action by reason of the existence of such insurance or any of the provisions thereof, even though the taking or refraining from taking of such action may result in or be cause for cancellation or cessation of such insurance.

SECTION 14. Refunding Bonds. Pursuant to Chapter 47, Hawai'i Revised Statutes, as amended, and particularly Section 47-17, there are hereby authorized for issuance and sale at one time or from time to time general obligation refunding bonds of the County (the "Refunding Bonds") in one or more series for the purpose of refunding in advance of their maturity all or part of any outstanding general obligation bonds of the County, loans, notes or other instruments of indebtedness secured by the full faith and credit of the County, as the Director of Finance shall determine to be in the best interest of the County, and to pay all costs incurred in the issuance thereof and the refunding of such outstanding bonds, loans, notes or other instruments of indebtedness, and shall be in any amount necessary for such purposes. ## GENERAL BUDGET PROVISIONS

SECTION 5. **E/Ps and LTAs.** An “E/P” or equivalent personnel is the decimal equivalent of a full-time position. A full-time position is equal to 2,080 scheduled hours of work during the fiscal year. All positions are computed as an equivalent of 2,080 scheduled hours of work; 1.0 E/P equals 2,080 hours. This method of computing the number of authorized personnel in a department or program must not be construed to grant to an incumbent in a position any rights beyond those provided by law or collective-bargaining agreement. All positions must be identified by an E/P designation. Disbursement must be limited to the total number of E/Ps identified in a program appropriation. Any transfer of E/Ps from one program to another must be approved by ordinance.

“LTA” or Limited Term Appointment means an appointment that is made from an eligible list or through a non-competitive promotion, transfer, or demotion for a specified temporary period.

SECTION 6. **Salaries and premium pay.** Appropriations for salaries and premium pay may be disbursed within the pertinent office, department, agency, or program for the following:

(A) a temporary position to functionally replace a permanent employee who is on long-term leave or who has been temporarily assigned to replace a permanent employee who is on long-term leave; disbursement must be limited in duration to the leave of the permanent employee who is on long-term leave; and

(B) trainee positions for which there is an existing or anticipated vacancy and for which hiring and replacing is critical to continued operations, if funds are available.

SECTION 7. **A and B accounts.** Unless otherwise provided in this ordinance, appropriations for each program may be disbursed for the following categories of use, if the disbursement is within the program and category of use for which it was appropriated:

(A) salaries, premium pay, or reallocation pay; and

(B) operations or services, and equipment.

Furthermore, the Budget Director must submit to the Council a quarterly report on all unbudgeted equipment purchased during the Fiscal Year.

Disbursement for salaries, premium pay, and reallocation pay must include temporary assignment pay, overtime pay, night differential pay, hazard pay, standby pay, emergency call back pay, reallocations, and reclassifications. Funds must not be disbursed for reallocations and reclassifications that involve a change in supervisory duties and responsibilities until the County Council receives written notice setting forth:

(A) an explanation of the reasons for the change; and

(B) organizational charts showing the existing organization and the proposed organization of the department.

The Administration must notify the County Council of any reallocation or reclassification when a position is transferred from the blue-collar compensation plan, white-collar non-professional compensation plan, white-collar professional compensation plan, uniformed fire compensation plan, or uniformed police compensation plan to a different compensation plan. An explanation of any temporary assignment, temporary transfer, and temporary allocation that is expected to be in effect for more than 30 days must be provided to the County Council. Receipt of written notice by the County Clerk constitutes receipt by the County Council. Any amounts appropriated as County matching funds may be encumbered and disbursed for operations, services, or equipment. Furthermore, funds from the Countywide Self Insurance Program may be encumbered and disbursed for the replacement of motor vehicles and other equipment relating to insurance claim reimbursements.

Appropriations may be disbursed by a department to reimburse another department for work performed.

**SECTION 8. General obligation bonds.** General obligation bonds appropriated in this ordinance need not be authorized contemporaneously with this ordinance to be included as estimated revenues. Any increase or decrease in revenues or any increase or decrease in appropriations to any department or program, any transfer of funds from one department to another, or any transfer of funds within a department must be made in accordance with law.

SECTION 9. **County and State laws.** All provisions of law contained in the Maui County Code and Hawaii Revised Statutes that affect the expenditure of the revenues from the rates, fees, assessments, and taxes in this ordinance are incorporated into this ordinance. All provisions of law limiting the expenditure of fund revenues are incorporated into this ordinance.

SECTION 10. **Capital improvement projects.** Project descriptions for each capital improvement project is described in Appendix C.

SECTION 11. **Grant revenues.**

(A) The grant revenues itemized in Part I of Appendix A that include revenues from grants and revenues with restricted uses, are expected to be derived by the County from Federal, State, or private sources during Fiscal Year 2024. These grant revenues are appropriated in the amounts set forth in Part I of Appendix A to the programs and uses identified in this ordinance, subject to the following conditions:

(1) The Administration must be in receipt of notification from the grantor:

(a) providing a grant award or a statement that the grant award will be forthcoming; and

(b) that the County is authorized to incur costs in accordance with the grant award; and

(2) The Administration must provide written notice to the County Council, attaching a copy of the notification from the grantor.

Salaries and premium pay for equivalent personnel are compensated based on the terms or rules and regulations of the grant. Limited term personnel are deemed appropriated for the entire duration of the grant. Unless specifically authorized, grant revenues must not be used for salaries and personnel services for a County position.

(B) Subject to the requirements of this section, the Mayor is authorized to execute any documents to receive and expend the funds for the grants and programs identified in Part I of Appendix A.

(C) Grant revenues derived during Fiscal Year 2024 that are not included in Part I of Appendix A are subject to Sections 12 and 13, as may be appropriate.

SECTION 12. **Additional grant revenues.** Whenever the County is notified that grant revenues are available from Federal or State sources for programs other than those identified in Part I of Appendix A, the County Council may authorize the acceptance of the revenues by adding the revenues to Part I of Appendix A. The following procedure must apply:

(A) These grant revenues are deemed appropriated upon enactment of an ordinance adding the estimated revenues to Part I of Appendix A; provided, that disbursement is conditioned on:

(1) receipt of a notification of grant award from the grantor, or receipt of notification from the grantor that the grant award will be forthcoming and that the County is authorized to incur costs in accordance with the grant award; and

(2) written notice to the County Council, to which a copy of the notification from the grantor is attached.

(B) Subject to the requirements of this section, the Mayor is authorized to execute any documents to receive and expend the funds for the programs identified in the grant award.

SECTION 13. **Donations.** Whenever the County receives a donation of money from private sources not provided for in Part I of Appendix A, the County Council may approve its acceptance and authorize its expenditure in accordance with Chapter 3.56, Maui County Code.

SECTION 14. **Special purpose revenues.** The special purpose revenues set forth in Part II of Appendix A are expected to be on hand as of June 30, 2023, or derived by the County during Fiscal Year 2024, from the programs or activities described in the Revised Charter of the County of Maui (1983), as amended, Maui County Code, or Hawaii Revised Statutes at the references set forth under A through BB in this ordinance. The balance remaining in each of the revolving or special funds as of June 30, 2023, is reappropriated to the particular fund. Revenues derived from the particular program or activities during the fiscal year must be deposited into the applicable special purpose

revenue fund. Expenditures from a fund must be through appropriations set forth in Part II of Appendix A.

SECTION 15. **Fees, rates, assessments, and taxes.** The fees, rates, assessments, and taxes in Appendix B are adopted.

SECTION 16. **Schedule of concessions, leases, and licenses.** The schedule of concessions, leases, and licenses in Appendix B-1 is adopted.

SECTION 17. **Estimated funds.** The several amounts listed below are declared to be the estimated encumbered County funds as of June 30, 2023, and unencumbered County funds on hand as of July 1, 2023. The estimated amounts set forth in this section are shown in accordance with Section 9-3 of the Revised Charter of the County of Maui (1983), as amended. The actual amounts of any encumbered and unencumbered funds that the County will have on hand as of June 30, 2023, will be set forth in the Annual Comprehensive Financial Report.

Encumbered funds:	\$342,939,962
Unencumbered funds (carryover/savings)	\$74,081,304

SECTION 18. **Transfers and loans.** For the purpose of this section, “County fund” excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or special purpose funds. If there is money in any County fund that the Director of Finance determines to be in excess of the amount necessary for the fund’s immediate requirements, the Director of Finance may make a temporary transfer or interest-free loan from the fund to the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund, if the transfer or loan will not impede the County’s necessary or desirable financial operation. The amount of temporary transfers or loans must not exceed the amount of general obligation bonds, state loans, or notes authorized but not issued. At any time, the aggregate amount of transfers and loans that must be unreimbursed must not exceed \$55,000,000. Money transferred or loaned must be expended only for appropriations from the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund, which appropriations are specified to be financed from the sale of general obligation bonds or notes. The fund from which transfers or loans are made must be reimbursed from time to time, in whole or in part, as determined by the Director of Finance, and must be reimbursed from the proceeds of the sale of general obligation bonds, notes, or state loans, when issued. Within 30 days after the date each transfer or loan is made, the

Director of Finance must provide the following information to the County Council:

(A) the amount of each transfer or loan made to date and the accumulated total;

(B) the budgetary bonding authorization for each transfer or loan made to date; and

(C) the time schedule for the sale of proposed general obligation bonds, notes, or state loans proposed for reimbursement or repayment of each transfer or loan made to date.

Proceeds of tax-exempt general obligation bonds, state loans, or notes may be applied to reimburse or repay a transfer or loan that was used to fund public improvement costs paid before the issuance date, if the expenditure was:

(A) not made prior to 60 days before the County's adoption of a declaration of official intent to finance the public improvement or the approval by ordinance authorizing the projects to be funded with general obligation bonds, notes or state loans,

(B) not made more than 18 months prior to the issuance date or the date the public improvement funded by the transfer or loan was placed-in-service, whichever is later, and

(C) not made more than three years prior to the issuance date, unless the cost is attributable to a "preliminary expenditure." For this purpose, preliminary expenditure means architectural, engineering, surveying, soil testing and similar costs incurred prior to the commencement of construction or rehabilitation of the public improvement funded by the transfer or loan, but does not include land acquisition, site preparation and similar costs incident to the commencement of acquisition, construction or rehabilitation of the public improvement funded by the transfer or loan. Preliminary expenditures funded with proceeds of tax-exempt general obligation bonds or notes may not exceed 20 percent of the issue of tax-exempt general obligation bonds or notes.

The Budget Director must consult with the Director of Finance from time to time as to the timing and eligibility of accrued expenditures eligible for reimbursement by tax-exempt general obligation bonds or notes. The Budget

Director must annually provide the Director of Finance with a list of capital expenditures to be financed from the proceeds of tax-exempt general obligation bonds, notes, or state loans prior to their final inclusion in the County's annual budget.

Nothing in this ordinance precludes the County from reimbursing temporary transfers or loans from taxable bonds or notes.

At the close of each quarter, the Director of Finance must submit to the County Council a Combined Statement of Cash Receipts and Disbursements showing for each month for each individual fund the cash balance at the start of the accounting period, the cash receipts and disbursements during the period, and the cash balance at the end of the period. Within 45 days after the close of each quarter, the Director of Finance must submit a separate report showing the accumulated balance of any fund or account that exceeds \$100,000, and which would be available for appropriation upon certification by the Mayor.

Within 45 days after the end of each quarter, the Director of Finance must submit to the County Council a report of the Countywide capital improvement projects for which an appropriation has been made, that includes a breakdown of all expenditures made the preceding quarter and a brief description of each expenditure, by CBS number and project title.

Furthermore, the Managing Director must submit to the County Council a report of all capital improvement projects for which an appropriation has been made, that includes a brief description of the status of each project, and the estimated start and completion date of the project.

**SECTION 19. Establishment of accounts.** The Director of Finance is authorized to establish appropriate individual and separate accounts for receipts and expenditures except as otherwise provided in this ordinance. The Director of Finance is authorized to establish accounts for items of receipt and expenditures for the departments, agencies, or divisions as required by law to establish accounting and financial procedures under utility and other enterprise fund accounting.

**SECTION 20. Transfer of appropriations from countywide costs to a department.** The Director of Finance is authorized to transfer appropriations from programs under countywide costs to a department if:

(A) generally accepted accounting principles require the transfer to properly reflect the financial accounting of the department;

(B) the total appropriation transferred must not exceed the appropriation of the respective program in countywide costs; and

(C) the County Council is notified of the transfer with an explanation of the action. Receipt of written notice by the County Clerk constitutes receipt by the County Council.

SECTION 21. **Penalties.** Whoever intentionally or knowingly violates this ordinance may, upon conviction, be fined not more than \$1,000 or imprisoned not more than 30 days, or both.

SECTION 22. **Self-insurance coverage adjustment.** If a court of competent jurisdiction holds any appropriation in this ordinance invalid, the appropriation for the County's self-insurance coverage must be adjusted to the extent necessary to maintain the equality of estimated revenues, proposed expenditures, and total appropriations, as required by Section 9-5 of the Revised Charter of the County of Maui (1983), as amended.

SECTION 23. **Severability.** If a court of competent jurisdiction holds any appropriation in this ordinance invalid, the invalidity does not affect other provisions or applications of the ordinance that can be given effect without the invalid provision or application.

SECTION 24. **Effective date.** This ordinance takes effect on July 1, 2023.

SECTION 3. Details of Bonds. The Bonds authorized for issuance and sale in Section 1 hereof shall be issued and sold in their entirety at one time, as a separate issue or as part of an issue of general obligation bonds of the County, or from time to time in part in series, as shall be determined by the Director of Finance to be in the best interest of the County; provided, however, nothing herein shall prohibit or be deemed to prohibit the issuance and sale of all or part of the Bonds contemporaneously with the issuance and sale of other authorized general obligation bonds either as part of the same series or as separate series. The Bonds shall be issued in fully registered form without coupons and in the denomination of \$5,000 or any integral multiple thereof. The Bonds of a given series shall be numbered in any manner as the Director of Finance shall determine. The Director of Finance is hereby authorized to determine, in accordance with and subject to the provisions of the Constitution of the State of Hawai'i, Chapter 47, Hawai'i Revised Statutes, as amended or other applicable law and this ordinance, the series designation of the Bonds; the date of the Bonds; the principal and interest payment dates of the Bonds and the record dates of holders of the Bonds entitled to receive such interest payments; the maturity dates of the Bonds; the amount of principal of the Bonds maturing on each maturity date; the place or places at which the Bonds may be paid or registered, which may include the office of the Director of Finance; whether the Bonds shall be in book-entry form; and whether or not the Bonds shall be subject to redemption prior to their stated maturities and, if subject to such prior redemption, the provisions for such prior redemption, the premiums (if any) payable upon such redemption and the respective periods in which such premiums are payable.

SECTION 4. Redemption of Bonds. If any Bond (or portion thereof in installments of \$5,000 or any integral multiple thereof) is to be redeemed, notice of redemption shall be given in such manner as the Director of Finance shall determine. If any Bond shall have been duly called for redemption and notice of such redemption duly given as aforesaid, and if moneys for the payment of such Bond at the then applicable redemption price and the interest accrued on the principal amount thereof to the date of redemption are made or duly provided for by the County, interest on such Bond shall cease to accrue and become payable from and after the date fixed for redemption.

SECTION 5. Registration, Exchange and Transfer of Bonds. At all times during which any Bond of any series remains outstanding and unpaid, the registrar for such series shall keep or cause to be kept at its designated office bond registration books for the registration, exchange and transfer of such series of Bonds. Upon presentation at its designated office for such purpose the registrar, under such reasonable provisions as it may prescribe, shall register, exchange or transfer, or cause to be registered, exchanged or transferred, on the bond registration books the Bonds of such series as hereinbefore set forth. The bond registration books shall at all times be open for inspection by the County or any duly authorized officer thereof.

Any Bond of any series may be exchanged at the designated office of the registrar for such series of Bonds for a like aggregate principal amount of such Bonds in other authorized principal sums of the same series, interest rate and maturity. Any Bond of any series may, in accordance with its terms, be transferred upon the bond registration books by the person in whose name it is registered, in person or by such person's duly authorized agent, upon surrender of such Bond to the registrar for such series for cancellation, accompanied by a written instrument of transfer duly executed by the registered owner in person or by such owner's duly authorized agent, in form satisfactory to the registrar.

All transfers or exchanges pursuant to this Section shall be made without expense to the holder of such Bonds, except as otherwise herein provided, and except that the registrar for such series of Bonds shall require the payment by the holder of the Bond requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange. All Bonds surrendered pursuant to this Section shall be canceled.

No transfer or exchange of Bonds shall be required to be made during the fifteen (15) days next preceding an interest payment date for such series of Bonds, nor during the forty-five (45) days next preceding the date fixed for redemption of such Bonds.

Whenever any Bond of a series shall be surrendered for transfer or exchange, the County shall execute and deliver at the designated office of the registrar for such series, and the registrar shall prepare and authenticate, and send by registered mail to the owner or new owner thereof at such owner's request, risk and expense, a new duly executed Bond or Bonds of the same series, interest rate and maturity and for the like aggregate principal sum registered on the bond registration books in such manner as the owner or transferee, as the case may be, may request.

SECTION 6. Execution and Form of Fully Registered Bonds. The Bonds shall bear the manual or facsimile signatures of the Director of Finance or the Deputy Director of Finance and the Mayor of the County and shall be sealed with the seal or a facsimile seal of the County. The Director of Finance may, at the Director's election, sign or direct the Deputy Director of Finance to sign such number of Bonds of any series as the Director of Finance shall determine and deliver such signed Bonds to the registrar for such series for safekeeping prior to the time such Bonds are actually issued, exchanged or transferred. Unless the Director of Finance is the registrar, the Director of Finance shall direct the

registrar for the Bonds of a given series to authenticate such Bonds and no such Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication endorsed on each Bond shall have been manually executed by any authorized officer of the registrar. It shall not be necessary that any Bonds which are manually signed by the Director of Finance, and for which the Director of Finance is the registrar, bear any such certificate of authentication. Upon the registration of any Bonds the registrar shall insert on such Bonds the date as of which such Bonds are registered.

Bonds may be printed, typewritten or otherwise produced. The form of the Bonds, the registrar's certificate of authentication and the instrument of assignment shall be substantially as follows with such appropriate insertions, variations, and omissions as are required with respect to a particular series of Bonds:

This series of bonds is authorized by the Council to be issued to provide funds for various public improvements in the County. The full faith and credit of the County are irrevocably pledged of the punctual payment of the principal of and interest on this bond according to its terms. [Insert any publication option.] If this bond be redeemable and this bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of the redemption hereof given as aforesaid, and if on or before the date fixed for such redemption payment hereof shall be duly made or provided for, interest hereon shall cease from and after the redemption date hereof.]

[If this bond be of a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and if less than all of the principal sum hereof is to be redeemed, in such case upon the surrender of this bond at the principal office of the Registrar, there shall be issued to the registered owner, without charge therefor, for the then unredeemed balance of the principal sum hereof, a bond or bonds of like series, maturity and interest rate in the denominations of \$5,000 or any integral multiple of \$5,000.]

The bonds of the series of bonds of which this Bond is a part are issuable as fully registered bonds without coupons in the denomination of \$5,000, and any integral multiples thereof. Subject to the limitations and upon payment of the charges, if any, bonds may be exchanged at the principal office of the Registrar, in \_\_\_\_\_, for a like aggregate principal amount of bonds of other authorized principal sums and of the same series, interest rate and maturity.

This bond is transferable upon the bond registration books by the registered holder hereof, in person or by such holder's agent duly authorized in writing, at the aforementioned offices of the Registrar but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the proceedings authorizing this bond, and upon the surrender hereof to the Registrar for cancellation, together with a written instrument of transfer satisfactory in form to the Registrar duly executed by the registered holder or by such holder's duly authorized agent, which may be the form endorsed hereon. Upon such transfer a new bond or bonds of authorized denomination and of the same aggregate principal amount, series, interest rate and maturity as the bond surrendered, will be issued to the transferee in exchange herefor.

SECTION 7. Sale of Bonds. Without any further authorization from or action by the Council, but subject to the provisions hereof including in particular those limitations set forth in Section 3 and of applicable law, the Director of Finance is hereby authorized to issue and sell the Bonds at one time or from time to time in series at competitive sale or at negotiated sale in accordance with Section 47-8, Hawai'i Revised Statutes, as amended, in each case at such price or prices and upon such terms and conditions as the Director of Finance shall approve and determine to be in the best interest of the County. Without limiting the generality of the foregoing, with respect to the sale of the Bonds or of portions of the Bonds, the Director of Finance is hereby authorized to retain bond counsel,

paying agents, registrars and financial and accounting consultants, upon such terms and conditions as the Director of Finance shall deem advisable and in the best interest of the County, to select the date for such sale, to publish and distribute a Notice of Sale or to enter into a contract for the sale of the Bonds or portions thereof, in each case in such form and containing such terms and conditions as the Director of Finance shall approve and deem advisable, to distribute an Official Statement and such other information relating to the Bonds as the Director of Finance may deem advisable, to receive bids for the sale of the Bonds or the portion thereof being offered and to award the sale of the Bonds or the portion thereof being offered to the bidder offering the lowest interest cost therefor, in accordance with the applicable Notice of Sale, if any; provided that the Director of Finance may reserve the right to reject any and all bids. Subject to the provisions of Section 3 hereof, without further action of the Council, the Bonds shall bear interest at the rates per annum as specified in the contract or contracts approved or in the bid or bids accepted.

The Director of Finance and all officials of the County are hereby authorized to take such action and execute such orders, receipts and other documents as may be necessary in order to effectuate the sale of the Bonds or any portion thereof, and, if any contract therefor be approved or any bid therefor be accepted, the preparation, execution and delivery thereof, in accordance with the provisions hereof and applicable law. Subsequent to the sale of the Bonds, the Director of Finance shall report the results of such sale to the Council by letter.

SECTION 8. Authorization of Bond Anticipation Notes. General obligation bond anticipation notes are hereby authorized for issuance and sale by the Director of Finance in anticipation of the issuance and sale of the general obligation bonds authorized herein. The issuance and details of the notes shall be governed by the provisions of Section 47-16, Hawai'i Revised Statutes, as amended. Bonds in anticipation of which bond anticipation notes are issued pursuant to this section may be issued and sold in accordance with the provisions of this ordinance at any time within five years of the date of issuance of the first notes issued in anticipation of such Bonds.

The proceeds derived from the sale of any notes issued in anticipation of the Bonds shall be used to pay all or part of the cost of any appropriation for the various public improvements set forth in Section 2.

SECTION 9. Security for the Bonds. The full faith and credit of the County are hereby pledged to the payment of the principal of and interest on the Bonds and the principal and interest payments shall be a first charge on the General Fund of the County. Pursuant to Chapter 47, Hawai'i Revised Statutes, as amended, particularly Part I thereof, the County shall levy ad valorem taxes without limitation as to rate or amount on real property subject to taxation by the County, sufficient to pay principal of and interest on the Bonds as they become due. This ordinance shall constitute an agreement by the County with the holders of the Bonds authorized pursuant to this ordinance; provided that amendments may be made to this ordinance as may be necessary to correct errors, comply with the Internal Revenue Code of 1986, as amended, to otherwise

protect the security for the bonds, or such other amendment that does not materially and adversely affect the interests of the holders of the Bonds.

SECTION 10. Tax Covenant and Approval of Issuance of Bonds as Tax-Exempt or Taxable Bonds. The Bonds (and any previously authorized but unissued general obligation bonds) (the "Authorized Bonds") are hereby authorized to be issued, in whole or in part, and in any combination, including one or more separate issues or series, as either tax-exempt bonds ("Tax-Exempt Bonds") or federally taxable bonds ("Taxable Bonds"). The Director of Finance shall determine and elect, based on the best interests of the County, which portions of the Authorized Bonds (including any previously authorized but unissued general obligation bonds) shall be designated and issued as Tax-Exempt Bonds or Taxable Bonds. Previously authorized but unissued general obligation bonds are hereby expressly authorized to be issued as Tax-Exempt Bonds or Taxable Bonds and in this regard any portion of any ordinance or resolution of the County in conflict with this Section is hereby amended.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Tax-Exempt Bonds, the County hereby covenants and agrees to comply with the provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended ("Code"), and the applicable Treasury Regulations if and to the extent required to maintain the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes for so long as any Tax-Exempt Bond shall be outstanding.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Taxable Bonds, the interest on such Taxable Bonds shall not be excluded from gross income for federal income tax purposes.

SECTION 11. Reimbursement of Expenditures. The County expects that it will pay certain capital expenditures in connection with the public improvements of the County described in Section 2 hereof prior to the issuance of the Bonds, and reasonably expects to reimburse such expenditures from the proceeds of such Bonds. The County hereby declares its official intent to use proceeds of the Bonds to reimburse itself for future expenditures in connection with such public improvements. This ordinance is adopted in part for purposes of establishing compliance with the requirements of Section 1.150-2 of the Treasury Regulations.

This ordinance shall be reasonably available for inspection by the general public during normal business hours at the offices of the County Clerk, located at 200 South High Street, Wailuku, Maui, Hawai'i, commencing within fifteen (15) days after the approval hereof by the Council.

SECTION 12. CUSIP Identification Numbers. The Director of Finance may authorize the printing of CUSIP identification numbers upon the Bonds. Such numbers and the printing thereof shall be subject in all respects to the provisions of Section 47-10, Hawai'i Revised Statutes, as amended.

SECTION 13. Bond Insurance. If the original purchaser of the Bonds, or any portion thereof, shall procure insurance for the payment of the principal of and interest on such Bonds and desires that a statement with respect to such insurance shall be printed upon such Bonds, space shall be provided on the backs of the printed Bonds for the printing of such statement. The cost, if any, of the printing of any such statement upon the Bonds shall be at the expense of such original purchaser, and the County shall not have any liability with respect thereto. Should the procuring of such insurance or the printing of a statement of such insurance upon the back of the Bonds cause a delay either in the printing of the Bonds or in the delivery of and payment therefor, the County, after notifying the original purchaser of the same, shall proceed with the printing of such Bonds without a copy of such statement thereon, or shall proceed with the delivery of such Bonds without such insurance having been obtained, as the case may be, unless an agreement is reached between the County and the original purchaser of such Bonds extending the date of delivery of and payment for such Bonds. Neither the failure by the original purchaser of the Bonds to obtain any such insurance nor the failure to print on any Bonds a copy of a statement of insurance or any error with respect thereto shall constitute cause for failure or refusal by the original purchaser of the bonds to accept delivery of and pay for such Bonds. If any such insurance on the Bonds shall be obtained by the original purchaser of such Bonds, (a) such insurance shall not constitute a part of the contract by and with the County evidenced by a particular Bond or constitute a part of the proceedings providing for the issuance thereof, and (b) no liability or responsibility shall attach to the County or any officer or agent thereof in any way by reason of any such insurance, including, without limiting the foregoing, with respect to the procuring, maintenance, enforcement or collection thereof. Without limiting the effect of the provisions of the preceding sentence, the County shall be under no obligation to take or refrain from taking any action by reason of the existence of such insurance or any of the provisions thereof, even though the taking or refraining from taking of such action may result in or be cause for cancellation or cessation of such insurance.

SECTION 14. Refunding Bonds. Pursuant to Chapter 47, Hawai'i Revised Statutes, as amended, and particularly Section 47-17, there are hereby authorized for issuance and sale at one time or from time to time general obligation refunding bonds of the County (the "Refunding Bonds") in one or more series for the purpose of refunding in advance of their maturity all or part of any outstanding general obligation bonds of the County, loans, notes or other instruments of indebtedness secured by the full faith and credit of the County, as the Director of Finance shall determine to be in the best interest of the County, and to pay all costs incurred in the issuance thereof and the refunding of such outstanding bonds, loans, notes or other instruments of indebtedness, and shall be in any amount necessary for such purposes. The proceeds of the Refunding Bonds of any particular series shall be applied to the payment of the principal of, and redemption premium, if any, and interest on the bonds, loans, notes or other instruments of indebtedness, to be refunded and to the payment of all costs incurred in the issuance of such Refunding Bonds and the interest accrued on the Refunding Bonds to the date of delivery thereof and payment therefor, all as determined by the Director of Finance. Such Refunding Bonds shall be issued as Bonds under this ordinance.

SECTION 15. Effect of Section Headings. The headings or titles of the several Sections hereof shall be solely for convenience of reference and shall not affect the meaning, construction, interpretation or effect of this ordinance.

SECTION 16. Repeal of Inconsistent Ordinance and Resolution. Any ordinance or resolution of the County, or any portion thereof, in conflict or inconsistent with this ordinance is hereby repealed to the extent of such conflict or inconsistency.

SECTION 17. Effective Date. This ordinance takes effect on July 1, 2023.
