County of Maui

Dear Ms. Kahula:

**SUBJECT: COMMUNITY DEVELOPMENT BLOCK GRANT:
GRANT CANCELLATIONS AND REPROGRAMMING
OF FUNDS (BFED-21(11))**

The Council is in receipt of County Communication 230-23 (attached), which informs the Council of the actions taken by the Community Development Block Grant Office to facilitate recovery from the August 2023 Maui wildfires, including the reprogramming of unspent CDBG grant funds and the use of future CDBG grant funds.

May I please request your response to the following:

1. Bill 109 (2023) amends the organizations and projects in Fiscal Year 2024. If the organizations that were originally awarded funds for their projects do not receive the funds, what will be the impact to each sub-recipient?
2. As stated in the communication, "a Request for Proposals for the consideration of reprogramming or for incoming Program Year 2024 CDBG funds will not be utilized, as in prior years. To ensure compliance, the CDBG Program Office will seek the guidance of HUD CPD to select unduplicated, eligible CDBG activities with the County of Maui selecting and approving all CDBG eligible projects that will respond to the Maui Wildfires." Does the Administration have a list

of eligible projects that would facilitate recovery from the wildfires?
If so, please provide the list.

SUBJECT: COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
 Grant Cancellations and Reprogramming of Funds to Facilitate Recovery to Areas
 Impacted by Maui Wildfires

Dear Chair Lee:

This letter serves to respectfully provide prompt, formal notification to the Maui County Council regarding actions that the CDBG Program Office is taking to facilitate recovery from the Maui wildfires. These actions involve the reprogramming of unspent CDBG funds and use of future CDBG grant funds, which are explained in detail in this letter.

As a result of the devastation caused by Maui Wildfires and wind related to Hurricane Dora, and in addition to County of Maui, Emergency Proclamations, the CDBG Program Office received the following:

- Memorandum dated August 14, 2023 from Marion M. McFadden, Principal Deputy Assistant Secretary for Community Planning and Development (CPD) – U.S. Department of Housing and Urban Development (HUD), entitled “Availability of Waivers of CPD Grant Program and Consolidated Plan Requirements to Facilitate Recover from Hawaii Wildfires” (Waiver for Hawaii Wildfires).

The Waiver packet explains the availability of suspensions and waivers of certain statutory and regulatory requirements associated with several CPD grant programs to address damage and facilitate recovery from Hawaii wildfires in areas covered by a major disaster declaration under title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), DR-4724-HI, dated August 10, 2023. This memorandum covers CDBG and is attached for review.

- Letter dated August 14, 2023 from Mr. Mark Chandler, Director of (CPD) - HUD advising that President Joseph R. Biden, Jr. declared the State of Hawaii a disaster area on August 14, 2023.

The letter states that HUD did not have any disaster grant available to aid Maui County and advised that County of Maui, Community Development Block Grant (CDBG) funds may be reprogrammed to assist with disaster recovery efforts. Pursuant to 24 CFR 570.201, CDBG funds may be used for an eligible activity that will assist in meeting the needs attributed to a disaster. Memo dated August 14, 2023 attached for review.

As a result of the aforementioned notifications, the CDBG Program Office reprioritized program objectives to respond to the urgent needs of the victims of the Maui Wildfires.

On September 1, 2023, the CDBG Program Office concluded an internal review of previously approved CDBG Subrecipient Agreements. Identified were a total of six (6) subrecipients agreements [(4) four from Program Year 2022 and two (2) from Program Year 2023] with a cumulative unspent CDBG grant fund balance of \$2,645,000.

Based on this finding, subrecipients were contacted by phone to discuss the likelihood of grant cancellation, postponing program activities or utilizing organization or department resources to fund the intended project. Needless to say, all subrecipients were extremely understanding and supportive of this action as they too were impacted by the Maui Wildfires, some directly and others indirectly. All subrecipients were advised that the sole reason for reprogramming prior awarded CDBG funds is to address significant unmet needs for long-term recovery in disaster-impacted areas, for the benefit of low- and moderate-income individuals and/or families and/or areas. All subrecipients were encouraged to reapply for CDBG funding at a later date.

The following table summarizes the CDBG grant cancellations.

CDBG Grant Cancellation Action

| Program Year | Subrecipient | Project | Amount Reprogrammed |
|--------------|----------------------------------|------------------------------------|---------------------|
| 2022 | Dept of Environmental Management | Moloka'i Landfill Wood Hog Grinder | \$920,000 |

| | | | |
|------|------------------------------------|---|-------------|
| 2022 | Maui Economic Opportunity, Inc. | Moloka'i Bus (24 passenger) | \$199,000 |
| 2022 | Hale Makua | Wailuku Rehab (electrical upgrade) | \$311,750 |
| 2022 | Big Brothers Big Sisters of Hawaii | Hale Makana Mentor Center Restoration (replace windows) | \$ 48,000 |
| 2023 | Maui Family Support Services, Inc. | Exterior Rehabilitation (rehab of irrigation systems, waterproof walls) | \$216,213 |
| 2023 | Dept of Fire and Public Safety | Lana'i Fire Tanker | \$950,000 |
| | | | \$2,645,663 |

Incoming, Program Year 2024 CDBG Funds

For Program Year 2024, the County expects to receive approximately \$1,829,334 for its CDBG Program. With the guidance of HUD CPD, PY2024 CDBG program funds will be administered by the County CDBG Program office to facilitate recovery from the Maui wildfires.

Program Year 2019 – CDBG CV Funds

Due to Covid19, the County of Maui received a total of \$3,678,460 in CDBG CV (Cares Act funds). The funds were granted to Maui Economic Opportunity (MEO) and Family Life Center (FLC) for the purpose of rental and mortgage relief payments. Subrecipients Agreements for MEO and FLC have expired and despite substantial unspent balances, subrecipients opted to not extend their contracts. On September 1, 2023, both CDBG CV projects were closed out. As of September 13, 2023, a total of \$1,651,230 in CDBG CV funds remains unspent.

The CDBG Program Office has received guidance from the Department of Housing and Urban Development (HUD), Community Planning Development Department (CPD) in regards to identifying additional CDBG CV eligible activities for the benefit of low to moderate income individuals, families or areas within the County of Maui.

As such, the CDBG Program Office is reprogramming unspent CDBG CV funds, to be managed by the County of Maui for eligible project(s) that will prepare, prevent and/or respond to COVID-19.

Selection of Maui Wildfire Eligible Activities

The Waiver for Hawaii Wildfires announced a simplified notification process for the County of Maui to utilize suspension and waiver flexibility of CPD statutory and regulatory requirements identified to expediate the delivery of assistance.

As such, a Request for Proposal(s) for the consideration of reprogramming or for incoming Program Year 2024 CDBG funds will not be utilized, as in prior years. To ensure compliance,

the CDBG Program Office will seek the guidance of HUD CPD to select unduplicated, eligible CDBG activities with the County of Maui selecting and approving all CDBG eligible projects that will respond to the Maui Wildfires. The requirement of Public Notice(s) will not be interrupted and will continue to provide notice to residents as well as the opportunity to submit written comments.

MAHALO PIHA

The CDBG Program Office values the efforts and commitment of all subrecipients in providing services or other public facilities and services primarily for the benefit of low-and moderate-income individuals, families and/or areas throughout the County of Maui.

The CDBG Program Office extends our utmost gratitude to the Maui County Council Chair and Members for your continued support and understanding as we, as a community, take all necessary actions to help meet the needs and ensure the recovery of those devastated by the Maui Wildfires.

Mahalo in advance for your time and attention. If you should have any questions, please feel free to contact me at extension 8299 or at (808) 270-8299.

Respectfully submitted,

Patience M.K. Kahula
CDBG Program Director
