

We have received the following feedback from the project team:

- Under Condition #3, the language should be “east” not “north” of the Kahekili Highway and Waiehu Beach Road intersection, so that it’s clear that the condition is not referencing the clearing of Waiehu Stream at Kahekili Highway. The culvert is north of the project site, not the intersection.
- It would be more accurate for the conditions to refer to “The Applicant” rather than “Maui Economic Opportunity, Inc.”, since MEO is the property owner, but not the developer or the applicant.

I will let you know as soon as possible if the project team provides any further comments. Thank you for giving us the opportunity to review and provide our thoughts on the new condition language!
