

EXHIBIT “C”

CONDITIONS

1. The Property must be developed as a one hundred percent residential workforce housing project under the letter dated May 4, 2023, from the director of housing and human concerns, approving, with modifications, the independent development of the Hale Mahaolu Ke Kahua Affordable Housing Community Project under Chapter 2.97, Maui County Code (“DHHC Approval Letter”), attached as Exhibit “1”.
2. The Property must be developed in substantial compliance with the representations made to the department of housing and human concerns in obtaining the DHHC Approval Letter and to the Maui County Council in obtaining the State District Boundary Amendment.
3. The developer must work with the State Department of Transportation to inspect the drainage culvert located to the east of the Kahekili Highway and Waiehu Beach Road intersection quarterly, prior to forecasted large rain events, and following large rain events for blockage. The developer must request that the State Department of Transportation clear the culvert before occupancy of the first dwelling unit and as needed, after quarterly inspection, prior to forecasted large rain events, and following large rain events.
4. Before occupancy of the first dwelling unit, the developer must replace the ginger, heliconia, fern tree, tropha, golden glory, and Singapore plumeria in the landscape planting plan with native plants, fruit trees, or non-invasive lei plants, and substitute the fern tree with koai‘a in the landscape planting plan.
5. To the extent allowed by law, the developer must give preference to Maui County residents based on their length of residency and to those displaced by the August 2023 wildfires on Maui Island.

Dear Mr. Heaton:

**SUBJECT: APPROVING WITH MODIFICATIONS THE INDEPENDENT
DEVELOPMENT OF THE HALE MAHAOLU KE KAHUA AFFORDABLE
HOUSING COMMUNITY PROJECT UNDER CHAPTER 2.97, MAUI
COUNTY CODE**

By correspondence dated February 21, 2023, attached as Exhibit A, the Department of Housing and Human Concerns ("DHHC") transmitted the Hale Mahaolu Ke Kahua Affordable Housing Community Project ("Application" or "Project"), submitted by Waiehu Housing LP ("Applicant"), in accordance with Chapter 2.97, Maui County Code ("MCC"), to Maui County Councilmember Tasha Kama, Chair of the Housing and Land Use Committee.

The Application lists exemptions requested by the Applicant, authorized by Chapter 2.97, MCC. A list of the proposed exemptions is attached as Exhibit B.

On March 17, 2023 Chris Sugidono of Munekiyo Hiraga, received a letter from Otomo Engineering, Inc., setting out the estimated costs of the proposed exemptions. A copy of the letter is attached as Exhibit C.

TO SUPPORT AND EMPOWER OUR COMMUNITY TO REACH ITS FULLEST
POTENTIAL FOR PERSONAL WELL-BEING AND SELF-RELIANCE

EXHIBIT

Pursuant to Section 2.97.170, MCC, the Maui County Council ("Council") was required to approve, approve with modifications, or disapprove the Application via resolution within sixty days of receipt, which occurred on February 21, 2023. The Council failed to take any action within the prescribed time period. Section 2.97.170, MCC, provides that in the event Council fails to take action, the DHHC director is then given the authority to approve, approve with modifications, or disapprove the Application within fourteen days of the expiration of Council's 60-day time limit.

The Application anticipates providing 120 affordable multi-family rental housing units in Waiehu, Maui, Hawaii, for residents earning 60 percent or less of the Area Median Income ("AMI"). The latest *Hawai'i Housing Planning Study, 2019*, conducted by SMS Research, specifies that Maui County requires the completion of more than 10,400 housing units by 2025 to meet its residents needs. The study further specifies that Maui County needs 1,116 multi-family rentals to be completed by 2025 for residents earning 60% AMI and below.

The DHHC has independently reviewed the merits of the Project and considered the need to provide suitable housing for Maui County residents, and also considered the concerns regarding traffic impact, infrastructure, and historic preservation. The Project meets the 100 percent affordability requirement and other application requirements in order to qualify to request exemptions and incentives under Chapter 2.97, MCC. Relevant County departments and the administration were also consulted to consider the Application and potential concerns. After substantive review, it has been determined that the Project team, through its Application, representations to Council, and department meetings, have satisfactorily addressed the aforementioned concerns.

Through this correspondence, and pursuant to the Project's preliminary plans and specifications, as submitted to the Council on February 21, 2023, except that the Applicant must comply with all statutes, ordinances, charter provisions, and rules of governmental agencies relating to planning, zoning and construction standards for subdivisions, development and improvement of land, and the construction of units, unless exempted, I exercise the approval power given to me under Chapter 2.97, MCC, to approve the project with modifications. All exemptions in Exhibit B shall be approved, except for those exemptions listed and modified below under the sections entitled "Exhibit B – Exemption Modifications" and "Additional Modifications".

The final plans and specifications for the Project are approved if the final plans and specifications do not substantially deviate, as determined by the DHHC director or the director assigned to oversee this project, from the preliminary plans and specifications submitted to the Council. Any substantial deviation from the preliminary plans and specifications must be approved by the DHHC director or the director assigned to oversee this project for prior approval. The final plans and specifications constitute the zoning, building, construction, and subdivision standards for the Project. In the event of any conflict between the plans and specifications of the Project and this letter, the terms of this letter and any exhibits shall control.

The Applicant and the DHHC shall enter into a Residential Workforce Housing Agreement ("RWFHA") pursuant to 2.96.080, MCC. This letter shall be attached to that RWFHA, and the terms and conditions herein shall be incorporated into that RWFHA as binding conditions.

Exhibit B-Exemption Modifications

1. **Exemption 1:** The Project shall not be exempt from Chapter 8.04.040, MCC, relating to disposal permits. The Project shall be exempt from payment of fees associated with Chapter 8.04.040, MCC. In accordance with Chapter 2.97, MCC, a request for exemption or modification of any section of the code still needs to meet the minimum requirements for health and safety. To help ensure health and safety and that only non-hazardous waste is accepted at the Maui County landfills, the Applicant shall have a valid landfill account and Construction & Demolition Number which can be obtained by completing and submitting a Declaration of Non-Hazardous Construction and Demolition Waste Form, which is attached as Exhibit D. The Project shall not be exempt from 8.04.050, MCC. Disposal fees may be waived by the Director of Environmental Management upon request via a Landfill Tipping Fee Waiver Request, which is attached as Exhibit E.
2. **Exemption 2:** The wastewater collection and conveyance system constructed by the Applicant shall be owned and maintained by the Project.
3. **Exemption 3:** The Project shall not be exempt from the requirement of payment of the water system development fee as established in Chapter 14.07, MCC. Reimbursement of the water system development fee will be made from the Affordable Housing Fund, pursuant to Chapter 3.35, MCC. The cost of the fee shall be determined upon acceptance of the water system improvements and fees shall be charged in the amounts as set forth in the annual budget for the year when acceptance occurs, for the water system development fee.
4. **Exemption 8:** The Project shall be exempt from the requested exemptions from Chapter 19.36, related to off-street parking and loading. The Project shall include two (2) bike racks on the property to support the County's initiative to increase opportunities for multimodal transportation.
5. **Exemption 9:** The Project shall construct its frontage improvements to urban standards as required by Title 16 and Title 18, MCC, including but not limited to pavement widening, right-of-way widening, curbs, gutters, and sidewalks. The Project shall also construct any other improvements to Kahekili Highway, including relocating or underground existing overhead utilities, as necessary to accommodate the frontage improvements. The Director of Public Works may modify the standards of Title 16 and 18, MCC, as necessary to accommodate the Project's site constraints. Costs for construction of the frontage improvements and related improvements to Kahekili Highway are eligible for reimbursement from the Affordable Housing Fund, pursuant to Chapter 3.35, MCC. It is the intent of all parties that the Applicant be allowed to produce the proposed 120 affordable multi-family rental housing units.

6. Exemption 10: An exemption from Chapter 19.68, MCC and Chapter 19.510, MCC is granted to enable the District Boundary Amendment ("DBA") to be submitted either to Council for direct referral or through the Planning Director to the Maui Planning Commission for review as required under Section 8-8.4 of the Revised Charter of the County of Maui (1983), as amended. Further, a DBA application shall be submitted into Maui's Automated Planning & Permitting System ("MAPPS") with the accompanying Final Environmental Assessment ("EA"). The Project shall also be exempt from payment of fees associated with Chapter 19.510, MCC. The Project shall be constructed consistent with any additional terms and conditions as may be included in any Ordinance approving the DBA. In the event the DBA is not approved by Council, the approval herein is automatically rescinded.
7. Exemption 11: The Project shall be exempt from Section 19.510.040, MCC; Chapter 19.30A, MCC; and Chapter 19.02A, MCC. The Project shall abide by Section 19.12.050, MCC, related to Apartment District, A-1, development standards. The Project shall memorialize the exemption of Section 19.510.040, MCC; Chapter 19.30A, MCC; and Chapter 19.02A, MCC; and the required compliance with Section 19.12.050, MCC, by recordation with the State of Hawaii Bureau of Conveyances.
8. Exemption 12: The Project shall be exempt from Chapter 2.80B, MCC. The Project shall memorialize the exemption of Section 2.80B, MCC, by recordation with the State of Hawaii Bureau of Conveyances.

Additional Modifications

The Applicant will utilize Ground Penetrating Radar ("GPR") methodologies to survey the Project parcel for potential archaeological findings prior to the submittal of a grading permit application, and shall consult with the State Historic Preservation Division ("SHPD") prior to conducting these activities.

I am requiring the construction of the Project to be initiated within two years and completed within five years from the date of this correspondence. Construction of the Project shall be considered initiated when a building permit is issued and construction of a building has begun. Extensions of these time limits may be allowed by a formal request from the Applicant, in writing, to the DHHC director, or the director responsible for overseeing this project. An approved extension of these time limits shall be in writing.

I am also requiring the submittal of an annual report to the DHHC director, or the director responsible for overseeing this project, until every proposed unit in the development is initially rented. The annual report shall contain information relating to the progress of the Project and shall be due within 30 days of the annual anniversary of this correspondence. Failure to submit the annual report may result in forfeiture of the refundable application fee.

The Applicant shall submit in writing to the DHHC director, and within 14 days of the date of this correspondence, its acknowledgement of an agreement to indemnify the County in accordance with Section 2.97.190, MCC.

Section 2.97.200, MCC shall apply to this project.

Should you have any questions, please do not hesitate to contact me at (808) 270-7805.

Dear Chair Kama:

**SUBJECT: HALE MAHAOLU KE KAHUA AFFORDABLE HOUSING
COMMUNITY PROJECT UNDER CHAPTER 2.97, MAUI COUNTY
CODE**

The Department of Housing and Human Concerns is transmitting for your review and action the Maui County Code (MCC) Chapter 2.97 application for the proposed independent development of the Hale Mahaolu Ke Kahua Affordable Housing Community Project.

The applicant, Waiehu Housing, LP proposes to develop approximately 11.476 acres of land, identified as TMK (2) 3-3-001:106 (Parcel 106) in Waiehu, Maui, Hawaii, pursuant to Chapter 2.97, MCC. The applicant and Maui Economic Opportunity, Inc. (MEO) plan to enter into a long-term lease to develop the affordable housing community. The project will be developed in cooperation with Hale Mahaolu.

The proposed project will consist of 120 multi-family residential units for rent. All units will be 100 percent affordable to households earning at or below 60 percent of the County of Maui's area median income, as set forth by the County of Maui, Department of Housing and Human Concerns' Affordable Sales Price Guidelines.

Chapter 2.97 Exemption List

Development Standard or Requirement	Relevant Section/ Requirement	Requested Exemption	Rationale for Request
1. Requirements for acquiring disposal permit and payment of disposal charges	Title 8, Health and Safety, Maui County Code (MCC): Chapter 8.04, Refuse Collection and Landfills	<u>MCC 8.04.040 Disposal Permits – Application and Suspension; MCC 8.04.050. Disposal Charges</u> Exemption for project to dispose of construction waste during the construction of the project without the need to apply for a disposal permit and pay for disposal charges.	An exemption from the requirements to apply for a disposal permit and pay associated charges will provide cost savings and ensure that the project is financially feasible.
2. Requirement for payment of wastewater assessment fees	Title 14, Public Services, MCC: Section 14.35, Wastewater Assessment Fees for Facility Expansion for the Wailuku/Kahului Wastewater Treatment System	<u>MCC 14.35 Wastewater Assessment Fees for Facility Expansion for the Wailuku/Kahului Wastewater Treatment System</u> Exemption to allow the project to receive its building permits without the need to pay wastewater assessment fees. Section 14.35.080, Exemptions, exempts developments comprised of 100% residential workforce housing units from the provisions of this chapter.	An exemption from the requirements to pay the wastewater assessment fee for the Wailuku/Kahului Wastewater Treatment System will advance the affordability objectives of the project.
3. Requirement for payment of water system development fees	Title 14 – Public Services, MCC: Chapter 14.07 – Water System Development Fees	<u>MCC 14.07 Water System Development Fees</u> Exemption requested from Section 14.07 water system development fees to allow the project to receive its building permits without the need to pay water system development fees.	An exemption from the requirements to pay the water system development fees will advance the affordability objectives of the project.

The requested exemptions would also minimize potential queuing issues by reducing the number of stalls near driveway entrances. This will further the affordability of the project. Smaller loading stalls, which can be used for moving vans and furniture delivery, would also improve the flexibility as to where they are located and make them more useful to the housing community. Larger stalls would require them to be located in areas that may not be as useful due to them requiring turning areas and back up space.</p>

An ordinance for a DBA will be reviewed by the County Council concurrently with the MCC 2.97 application.	The project site is 11.476 acres and located within the State "Urban" and "Agricultural" Districts. This exemption would expedite the delivery of affordable workforce housing.

Mr. Chris Sugidono

Dear Chris:

Subject: Hale Mahalo Ke Kahua
Estimated Costs for Requested Exemptions from the Revised Exhibit "A"

In response to the requests for estimated costs associated with the requested exemptions listed in Exhibit "A", we offer the following:

Item 1A - Exemption from Section 8.04.040, "Disposal permits—Application and suspension"

Disposal permits cost \$25. Since most contractors already have a disposal permit, one will most likely not be required.

Item 1B - Exemption from Section 8.04.050, "Disposal charges"

The Department of Environmental Management (DEM) allows these fees to be waived. The Contractor shall fill out an application at the time of construction. Since these fees are based on the amount of material being disposed of, the estimated dollar amount associated with this exemption cannot be determined at this time.

Item 1C - Exemption from Section 14.07.030, "Water system development fee schedule"

The water system development fees are based on water meter size. Since the project is still in the conceptual design phase, the exact water demand has not been determined. Based on the preliminary site and building plan, it is estimated that one 3" water meter for domestic use and one 2" water meter for irrigation use will be required for this project. The anticipated water system development fee is \$404,392.

Item 1J - Exemption from Section 16.26B.3600, "Improvements to Public Streets"; Item 1K - Exemption from Section 18.20.040, "Existing Streets"; Item 1L - Exemption from Section 18.20.070, "Sidewalks"; Item 1M - Exemption from Section 18.20.080, "Curbs and gutters"

The project is requesting to be exempt from constructing curb, gutter, and sidewalk along its frontage with Kahekili Highway. Since the project is still in the conceptual design phase and has not gone out to bid, it is not possible to determine construction costs. A rough order of magnitude estimate is \$70,000 for sidewalks and \$110,000 for curb and gutter. The total estimated cost for these improvements is \$180,000.
