Dear Chair Guzman:

**SUBJECT: REDESIGN OF THE SOUTH MAUI GYMNASIUM IN KIHEI
TO A MULTI-PURPOSE CENTER (EAR-16)**

As requested in your letter dated February 20, 2015, attached is the updated floor plan for the South Maui Community Park Recreation Center. Revisions were made to the plan presented at your Committee's meeting on October 28, 2014 as a result of the community meeting held later that evening.

The project is currently in the design development stage. We are working with the design team on ensuring that the new facility meets the State and County Owned High Occupancy Buildings design criteria for Enhanced Hurricane Protection.

If you have any questions or require additional information, please feel free to contact me or Robert Halvorson, Chief of Planning and Development, at Ext 7387.

Sincerely,

KA'ALA BUENCONSEJO
Director of Parks and Recreation
