Dear Mayor Arakawa:

Memorandum of Agreement - FY 2016 Emergency Management Performance Grant

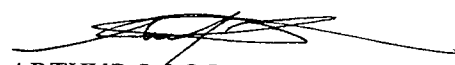

Since 1999, Hawaii Emergency Management Agency has been the recipient or grantee of Emergency Management Performance Grant (EMPG) Program allocations. EMPG funds are currently provided through the Federal Emergency Management Agency, Grant Programs Directorate, to sustain and enhance emergency management capabilities at the State and local government level.

EMPG Program funds have a cost share matching requirement of 50 percent and have been traditionally used by State and county civil defense agencies to partially reimburse program expenses for salaries, planning, preparedness projects, readiness exercises, training, travel, and for EOC utilities.

For FY 2016, the Maui County Civil Defense allocation of EMPG Program funds is \$100,000. The terms and conditions for the EMPG Program funds allocated to Maui County are in the attached agreement for FY 2016. If you agree to the requirements of the grant program, please sign and return the original Memorandum of Agreement to Hawaii Emergency Management Agency on or before June 30, 2016.

If additional information is needed, please have your staff contact Mr. Vern Miyagi, Administrator of Emergency Management, at 733-4300, ext. 501, or email at vmiyagi@scd.hawaii.gov.
