Dear Chair White and Members:

**SUBJECT: LIST OF PARK PERMITS EXCEEDING FIVE CONSECUTIVE DAYS  
AND COUNTY CO-SPONSORED ACTIVITIES FOR FY2016**

Pursuant to Section 13.04A.050 of the Maui County Code (MCC), attached is a list of permits and activities using properties managed by the Department of Parks and Recreation (DPR) which were co-sponsored for Fiscal Year 2016. Activities described as Type II do not generate revenue, while Type IIR activities are revenue generating.

In addition, also pursuant to Section 13.04A.050 of the MCC, the majority of activities that were longer than five (5) consecutive days have already been included within the list described above. With the exclusion of CORA, leagues and lease agreements, the only permitted activity that exceeded five (5) consecutive days, that was not included in the enclosure, was the 2016 Aloha Classic. This international windsurfing tournament, held annually at Ho'okipa Beach Park, was from October 27, 2015 to November 10, 2015.

Should you have any questions, please contact Ashley DeCastro, Special Events Specialist, at Ext. 4057.

Sincerely,

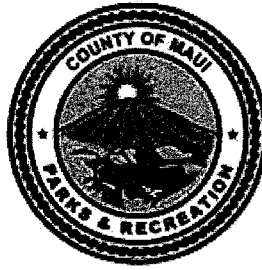

KA'ALA BUENCONSEJO  
Director of Parks and Recreation
