Subject: Oppose Sea Walls

Aloha,

My name is Moana Wietecha and I'm born and raised on Maui. I am an avid surfer and waterwoman. Seawalls are not only environmentally harmful but, they can also be harmful to beach goers. When a seawall is in place it disrupts the natural flow of the oceans currents, causing stronger rips and currents in beaches nearby. I oppose the use of seawalls especially when a safer more long term option is available.

Mahalo nui,

Moana
