## **NON-EXCLUSIVE EASEMENT AGREEMENT**

THIS NON-EXCLUSIVE EASEMENT AGREEMENT ("Agreement") made this \_\_\_\_ day of \_\_\_\_\_, 2016, by and between the County of Maui (hereinafter referred to as the "Grantor") and OCEANIC TIME WARNER CABLE LLC, a Delaware-based limited liability company, dba OCEANIC TIME WARNER CABLE, whose mailing address is 200 Akamainui St., Mililani, Hawai'i 96789 (hereinafter referred to as "Oceanic").

### **WITNESSETH:**

WHEREAS, Oceanic desires to offer its cable television and telecommunication services to the owners and/or tenants of the 56-unit Kulamalu Affordable Housing Project, consisting of six (6) two-story residential buildings and one (1) multi-purpose building, located at 65 'Ōhi'a Kū Street, Pukalani, Maui, Hawai'i located on the real property described in Exhibit A attached hereto (hereinafter referred to as the "Project") and the Grantor desires to make such services available to the owners and/or tenants;

WHEREAS, the Grantor has agreed to grant Oceanic a non-exclusive easement for the purposes described below;

NOW, THEREFORE, for good consideration had and received and the covenants contained herein, the parties agree as follows:

1. Grant. Grantor shall give, grant and convey unto Oceanic, its successors and permitted assigns, a non-exclusive easement for the installation, maintenance, repair, replacement and removal of all equipment and appurtenances for the provision of cable and telecommunication services (hereinafter referred to as the "Cable System") to the Project tenants, over, upon, through and under the land and improvements of the Project subject to the terms and conditions of this Agreement. This easement shall be irrevocable for as long as the Grantor shall utilize the land and improvement for residential purposes, subject to zoning laws.
2. Cable Television and Telecommunication Services. In consideration of said grant of easement, Oceanic hereby agrees that:
  - a. Oceanic shall contract contact directly with the Project tenants who desire cable television and telecommunication services;
  - b. Oceanic shall make arrangements for access to the unit directly with the Project tenant contracting for cable television and/or telecommunication services;
  - c. The Grantor shall not be liable or responsible for the collection of any payment for cable television and/or telecommunication services contracted for by the Project tenants.
  - d. The Grantor shall not be liable or responsible for the cable television and/or telecommunication services or its functioning;

- e. Oceanic shall utilize methods least invasive to the land, Project and tenants when installing, repairing and maintaining any wiring, conduits, raceways or equipment. Oceanic shall, to the greatest extent practicable, conceal new wiring in existing conduits or raceways. In the event existing conduits or raceways are not adequate, new conduits and raceways shall be concealed. In cases where new conduits or raceways cannot be concealed, Oceanic shall obtain the Grantor's written consent prior to proceeding with installation. Any new equipment shall be concealed in existing locations or Oceanic shall obtain the Grantor's prior written consent for installation in new locations;
  - f. Oceanic shall indemnify and hold the Grantor harmless for any and all damages arising out of the installation, maintenance, operation, repair, replacement and removal of the Cable System, or failure to properly maintain and operate the cable system or other conduct whatsoever by Oceanic;
  - g. Oceanic shall indemnify and hold the Grantor harmless from any claims, actions, and suits asserted by any person and arising from the Cable System or provision of cable television and/or telecommunication services by Oceanic;
3. Maintenance and Grantorship of Equipment. The Grantor understands and agrees that:
- a. All portions of the Cable System installed by Oceanic shall remain the sole property of Oceanic and shall not constitute a fixture of any building(s) or improvement to the land. The Grantor shall have no right, title or interest and hereby waives and relinquishes any possible claims of right, title, or interest to any portion of the Cable System, including, but not limited to, any conduits or duct which Oceanic may have installed as part of the Cable System. The Grantor hereby agrees that Oceanic shall have the right to remove the Cable System in the event Oceanic agrees to relinquish its easement and Oceanic shall restore the common elements to its previous condition, reasonable wear and tear excepted;
  - b. Oceanic shall be solely responsible for the maintenance, repair, replacement, improvement and removal of all or any portion of the Cable System installed by Oceanic;
  - c. Oceanic, in its sole discretion, shall determine the type and grade of cable television and telecommunication system appropriate for the Project;
  - d. Oceanic may demonstrate and sell cable television and telecommunication services to the tenants.

4. Non-Exclusiveness. Oceanic agrees and acknowledges that nothing in this Agreement shall prohibit or limit the Grantor from granting non-exclusive easements to other persons or entities in the easement area, whether or not for similar uses as contemplated under this Agreement.
5. Termination. Except as otherwise provided herein, this Agreement may be terminated, without any penalty or further liability upon thirty (30) days written notice by the Grantor for Oceanic's failure to cure or commence curing a material default under the terms of this Agreement.
6. Representation. The Grantor and Oceanic mutually represent that the undersigned(s) are duly authorized to enter into this Agreement on respective behalf of the Grantor and Oceanic and bind said Grantor and Oceanic to the terms contained herein.
7. Amendment; Modification. No amendment or modification of this Agreement or any Exhibit attached hereto shall be effective, unless incorporated in a written instrument executed by all parties.
8. Assignment of Non-Exclusive Agreement. Oceanic shall not assign any interest in this grant of easement to any person or firm without the prior written consent of the Grantor, and any assignment made without such prior written consent shall be null and void. No assignment shall, under any circumstances, relieve Oceanic of its obligations under this grant of easement.

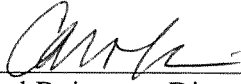

IN WITNESS WHEREOF, the parties hereto, have executed this instrument on the day and year first above written.
