Aloha Committee Chair Guzman and EAR Committee,

I am writing on behalf of our President, Pamela Tumpap.

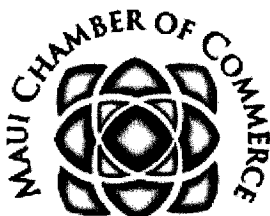

We read on the EAR Committee agenda for Tuesday, October 18th a requested update of the Administrative Rules of the Department of Parks and Recreation (EAR-72 from County Communication 16-233).

Since you are requesting an update from the Department of Parks and Recreation, we would also like to know why the Department of Parks and Recreation is not letting out the available CORA permits.

We ask that an update be provided from the Department of Parks and Recreation on this matter as there are businesses interested in the available CORA permits and the County previously amended the law with the stated intention of opening up new CORA permits.

Mahalo for your consideration.

Regards,

**Amber Coutsos**
