RE: Support for Special Improvement Districts for Maui County

Chairperson Guzman and Committee Members:

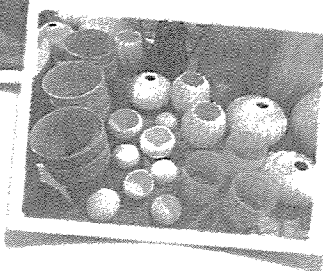

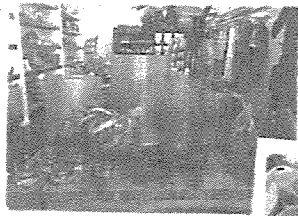

My name is Noelani Sugata, and I am the Executive Director for the Paia Town Association. I would like to thank you for the opportunity to submit this testimony regarding Special Improvement Districts for Maui County.

I was hired in October 2015 and I have gotten to know Paia residents, merchants, and landowners during my short tenure. I am truly thankful for all the support and guidance that has been shown to me by the community. The general consensus is Paia is a special place, and it is in need for additional services such as increased security, additional parking, and daily cleaning in public places. I have attached a list of residents, merchants, and landowners that are in support of Special Improvement Districts for Maui County. I have contacted many Paia merchants and they all have voiced making improvements to the town. Also, during those conversations and/or emails, I haven't had anyone tell me they weren't in favor of Paia petitioning to become a SID. They seemed to understand that additional services require additional funding. The opportunity for Paia to become a Special Improvement District would allow our community to be self-funding and pay for services our community needs.

I humbly ask the EAR committee to support Special Improvement Districts for Maui County.

Mahalo,

Noelani Sugata,
Executive Director

Aloha Terry:

I hope this email finds you well. I see the building is going up. I'm sure you're looking forward to the completion of the project.

I've provided a link to our website that has projects the PTA has accomplished in the last six months and a membership form. There is also a section asking for your support for Paia to be a SID.

The bill to amend Maui County Code to allow for Special Improvement Districts has been put on hold. We are hoping to mail a letter to Councilmember Guzman to expedite the process. Do we still have your support? I'm collecting signatures to submit to Guzman's office from residents, merchants, and landowners.

I know you are a very busy man, and I am very appreciative of your time. Please don't hesitate to contact me if you have any questions. Here is the link to our website or if you prefer I can mail you the documents.

Mahalo,

Yesterday this guy came in store, went straight to go pro accessories rack, grabbed surf mount and run out with full speed.
He was in and out 10 seconds.
He knew that sensor didn't beep if you stayed low enough.

Redwood trash receptacles have been installed in heavily **public** areas such as the **post office** and both **county** parking lots. Rory Pico, a long time resident of Paia, empties them **daily**. Future beautification projects include community clean ups, financially maintaining the current rubbish removal program, and landscaping in public areas to provide a cleaner and greener Paia.

ADVOCACY

The Paia Town Association is in strong support for amending the Maui County code to allow for **Special Improvement Districts, SIDs**. Two SIDs exist in Hawaii: Waikiki and Kona. We need everyone's help to demonstrate to Maui County Council that small towns like Paia would benefit by having a SID. Your support in our efforts is greatly appreciated. Funds collected from the SID would go back into Paia.
