Subject: Old Maui High & TEACH LLC

Aloha Economic Development, Energy, Agriculture and Recreation Committee,

Please defer this agenda item regarding Old Maui High & TEACH LLC until more public meetings have been held and input has been received as there has NOT been any community outreach regarding this huge project that will affect all parties of Hamakuapoko and Hana highway. This is a weighty and lengthy project and the people of Maui need more information and discussion before a final decision is made.

Mahalo for your time and consideration,

Sean Hudson
