Subject: Old Maui high area development

I am writing this email to testify against the development at the old my high area.

We do not need another paia town above hookipa, paia town it self has grown more than it should and traffic is already bad. We do not have the infrastructure to support a project like this. And I am disappointed that the public is not aware of this plan.

People come to Hawaii and the north shore of Maui looking for silence peace and healing. Well we can't find that in Kihei or Lahaina so please let's keep the country country and if we build anything in that area it needs to be for the keiki of Hawai'i.

Mahalo

Best regards,
Cristiane Martins
