laws and regulations related to this project, including the ADA Standards for Transportation Facilities, based on the U.S. Access Board's ADA Accessibility Guidelines. Found here: <http://www.access-board.gov/guidelines-and-standards/transportation/facilities/ada-standards-for-transportation-facilities>

Specifically, State of Hawaii Department of Transportation must comply with the ADA Standards for Transportation Facilities when renovating or rehabilitating administrative and maintenance facilities. The following is a non-exhaustive list of ADA standards that State of Hawaii Department of Transportation must comply with when renovating or rehabilitating administrative and maintenance facilities:

- As required under DOT ADA Standard 201 and DOT ADA Regulation 49 C.F.R. 37.43(a)(1), State of Hawaii Department of Transportation must ensure that altered or added portions of the facility must be made accessible.
- As required by DOT ADA Regulation 49 C.F.R. 37.43(a)(2) and DOT ADA Standard 202.3, State of Hawaii Department of Transportation must ensure that the path of travel to the altered or added portion of the facility must be made accessible, to the maximum extent feasible.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(e)(1), if the path of travel cannot be made accessible, State of Hawaii Department of Transportation must submit to FTA an analysis demonstrating that the cost of making the path of travel accessible is disproportionate to (i.e., > 20%) the cost of the alterations or additions to the primary function area.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(b), if the path of travel cannot be made accessible, State of Hawaii Department of Transportation must submit to FTA an analysis demonstrating that site-specific conditions prevent you from making the path of travel accessible. Include relevant diagrams and maps.

The information provided above is intended as technical assistance and applies only to the project as described. Should the project scope change or new information on the project be provided, FTA may require a re-evaluation of the project information as it relates to ADA and require additional information. This confirmation is not an express or implied promise of project compliance with the ADA.
