As requested during the Committee on this topic, I am attaching pictures of the two pieces of equipment that would be transferred according to the agreement in this transmittal.

Static Var Compensator (SVC), in Makawao:

IMG_1850: Interior of unit showing the uninterrupted power supply cabinet.

IMG_1851: Interior of unit showing the SVC equipment cabinets.

IMG_1853: Exterior of unit.

Battery Energy Storage System (BESS) in Kihei:

IMG_1870: Interior of unit showing battery racks.

IMG_1871: Interior of unit showing battery racks and fire suppression system in background.

IMG_1877: Exterior of PCS unit with door open.

IMG_1897: Exterior of complete system with two containers in the background and transformer and meters in foreground.

Best regards,

Frederick Redell, PE
