200 South High Street

Dear Chair Hokama:

SUBJECT: FISCAL YEAR ("FY") 2018 BUDGET (BF-1)

As a result of higher than anticipated bid results received by the Department of Public Works for the replacement of fuel tanks at the Wailuku Baseyard in this current Fiscal Year (FY), we are respectfully requesting the Budget and Finance Committee's consideration in increasing an equipment request currently included in the FY 2018 Mayor's Proposed Budget.

An additional \$100,000 is needed for the purchase of fuel tanks under the Special Maintenance Program, County Garages Lanai (Index 916364C, Sub-object 7044),

increasing the request from \$150,000 to \$250,000. This request is for a similar fuel tank replacement project on the island of Lanai. Given the bids recently received for the Wailuku fuel tanks, the current funding request for this project is insufficient. Attached for your information are the bid results for the Wailuku fuel tanks.

Should you have any questions, please feel free to contact John Smith, Acting Chief of Field Operations and Maintenance, at Ext. 7445.

Sincerely,

DAVID C. GOODE
Director of Public Works
