2. As it relates to the Hana Landfill Makai Berm Waste Removal (CBS-1908, page 638 of the Program Book):
  - a. What is the total contract amount and duration of the contract to haul green waste out of Hana? (MW)
  - b. Inquire with the State Department of Health to see how green waste can be used in Hana or at the Hana Landfill, other than for cover material, that will help with remediation and curb the County's expenses of hauling it out. (MW)
  - c. What is the Department's policy of monitoring truckloads to prevent the spread of invasive species when hauling green waste? Further, inquire with the State Department of Agriculture, State Department of Land and Natural Resources, and State Department of Health on the monitoring of truckloads. (AA)
