The land provided or dedicated shall have an area of five hundred square feet for each lot or unit, in excess of three, resulting from the subdivision; provided, for residential workforce lots or units within a subdivision, the land area shall be 250 square feet for each lot or unit.

In lieu of providing land in perpetuity or dedicating land, the director of parks and recreation shall require the subdivider to:

1. Pay to the County a sum of money equal to the number of square feet that would have been required by Section 18.16.320.B.2.c multiplied by the average of the following values, determined at subdivision approval, in accordance with the most recent certified assessment for real property tax purposes in the respective community plan area where the subdivision is located:
 - a. The average value per square foot of lands classified as residential; and
 - b. The average value per square foot of lands classified as apartment.
2. Combine the payment of money with land to be provided or dedicated, on the basis of five hundred square feet per each lot or unit, in excess of three, resulting from the subdivision; provided, for residential workforce lots or units within a subdivision, the land area shall be 250 square feet for each lot or unit; or
3. Provide improvement to parks and playgrounds in the community plan area where the subdivision is located. The value of such improvements shall be at least equal to the sum of money required to be paid pursuant to this section. The estimate for the cost of the improvements provided shall be based upon cost estimates certified by an engineer licensed to practice in the State of Hawaii. For subdivisions which qualify as affordable housing or residential workforce housing projects, this park assessment fee shall be deferred for either one year from the date of final subdivision approval or until 50% of the dwelling units of the affordable housing project are sold or rented, whichever occurs first.
