WITNESSETH THAT:

WHEREAS, Chapter 845, Hawaii Revised Statutes, establishes a career criminal prosecution program and authorizes the Department to administer the program, develop a plan of financial and technical assistance for prosecuting attorneys' offices, direct the program, and allocate and award funds to counties in which career criminal prosecution units are established in substantial compliance with the policies and criteria established by the Attorney General;

WHEREAS, the Attorney General has developed such a program entitled the "Hawaii Career Criminal Prosecution Program"

NOW THEREFORE, the parties hereto mutually agree as follows:

A. SCOPE OF SERVICES

The County shall maintain accounting procedures and practices in accordance with generally accepted governmental accounting principles and shall maintain books, records, documents and other evidence which sufficiently and properly reflect all County's performance under this Agreement. The books, records, and documents shall be subject at all reasonable times to inspection, review, or audit by the Department, or by any duly authorized agent or representative of the Department.

4. The County shall retain for a minimum period of three years and permit the Department, or any duly authorized agent or representative of the Department, to inspect and have access to any documents, papers, books, records, and other evidence which are pertinent to this Agreement and which are necessary to enable the Department, or any duly authorized agent or representative of the Department, to conduct surveys, audits, and examinations of the County's performance under this Agreement.

5. No funds provided under this Agreement shall be used to pay for any construction costs without the prior written approval of the Department.

6. All nonexpendable personal property purchased

with grant funds shall be used solely for HCCPP purposes, unless otherwise approved by the Department.

7. In the event that the County obtains any of the goods or services described in the budget, which is part of the Application for Grant, at no cost, or at a reduced cost, or achieves other cost savings during the term of this Agreement, the County shall report such savings to the Department and expend such savings solely for HCCPP purposes, in a manner approved in writing by the Department.

Such amounts shall represent the total

maximum compensation to be made available to the County in exchange for the services it provides and the materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses it incurs under this Agreement.

G. METHOD OF PAYMENT

1. It is understood by the County that the funds appropriated to the Department for purposes of this Agreement are subject to the allotment system contained in Chapter 37, Hawaii Revised Statutes, and consequently may be reduced or restricted by the State Director of Finance in the event of a shortfall in state revenues.

Agreement, the Department discovers that the County has expended funds received under this Agreement for purposes or services that are not allowed under this Agreement, the Department shall request that the County use other funds for said purposes or services. In the event that the County refuses to comply with said request, the Department may deduct an amount equivalent to the unallowable expenses from the next payable installment or may withhold payment of the amount of moneys equivalent to the questioned expenditure until later resolution of the discrepancy by audit or other means, or, if payment of the last installment has already been made, require that an equivalent amount of moneys be refunded to the Department.

d. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the treasury of the State of Hawaii.

H. CONFIDENTIAL MATERIAL

In the event of termination, the County shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. The Department shall determine the amount of work satisfactorily completed and the amount of compensation satisfactorily earned.

K. WAIVER

It is expressly understood and agreed that no waiver granted by the Department on account of any violation of any covenant, term or condition of this agreement shall constitute or be construed in any manner as a waiver of the covenant, term, or condition or the right to enforce the same as to any other further violation.

L. NONDISCRIMINATION

County will comply with the non-discrimination requirements: Title VI of the Civil Rights Act of 1964 (with

respect to race, sex, religion, creed, national origin), Title VII of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973 (handicap), as amended, Title IX of the Education Amendments of 1972 (race, sex, religion, creed, national origin), the Age Discrimination Act of 1975 (age), Executive Order 12138, 44 C.F.R. 29637 (affirmative action for women's business), the United States Department of Justice Non-Discrimination Regulations, 28 C.F.R., Part 42, Subparts C, D, E and G, the Americans with Disabilities Act of 1990 42 U.S.C. §§ 12101 et seq., and the Hawaii State Fair Employment Practices Act, Chapter 378, Hawaii Revised Statutes.

EXHIBIT A

**POLICIES AND CRITERIA
HAWAII CAREER CRIMINAL PROSECUTION PROGRAM**

**I
ESTABLISHMENT OF
HAWAII CAREER CRIMINAL PROSECUTION PROGRAM (HCCPP)**

Chapter 845, Hawaii Revised Statutes, established a statewide career criminal prosecution program, “whose purpose shall be the investigation and prosecution of those persons identified as habitual or career criminals.” The Department of the Attorney General is responsible, by the statutory provision, for administering the program and developing a plan of financial and technical assistance for prosecuting attorneys’ offices. Further, the Attorney General is responsible for directing the program and may allocate and award funds to counties in which career criminal prosecution units are established, in substantial compliance with the Policies and Criteria established by the Attorney General.

**II
CONCEPT**

The purpose of these Policies and Criteria for the HCCPP is to establish guidelines from which each county prosecuting attorney can implement a career criminal prosecution unit. The HCCPP is conceptually based upon the establishment of a highly skilled prosecutorial unit within each county prosecuting attorney’s office. The HCCPP unit shall focus its efforts on investigating and prosecuting those persons who are identified as career criminals. Criteria established by Chapter 845, Hawaii Revised Statutes, shall serve to identify the career criminal. Once a determination is made that the unit will undertake a case, the HCCPP unit will handle all matters relating to the case, e.g., bail hearings, preliminary hearings, grand jury,

arraignments, all pretrial motions, trial, appeals, and, finally, sentencing hearings. The foregoing method assures a continuity and quality of effort now perhaps lacking in most prosecutorial offices because of existing caseload. Another desirable feature of the program is the envisioned close coordination between and among agencies within the criminal justice system.

These special units will consist of experienced prosecutors who are willing to expend the long hours and hard work necessary to successfully prosecute the career criminal. It will be necessary to compensate members of these units adequately, not only to attract talented people, but also to engender reasonable periods of tenure for the development of expertise and continuity of effort.

The Department of the Attorney General shall administer the program and has developed a plan of financial and technical assistance for prosecuting attorneys' offices. Further, the Attorney General shall monitor the expenditure of funds to counties in which career criminal prosecution units are established to assure compliance with Section 845, Hawaii Revised Statutes, and with the policies and program plan established by the Attorney General.

III OPERATIONS

The HCCPP shall be operated with a view towards quickly identifying, prosecuting, and convicting those persons who make a career of crime, and, moreover, to seek sentences of these career criminals which will meaningfully guarantee members of the community their right of security and protection. The right of the people to be secure is no less important than any other rights guaranteed by our Constitution, and we in law enforcement must strive to provide the people of our communities with the safety they deserve.

The prosecutors' focus, therefore, is on the offender and not simply the crime.

Career criminals do not distinguish between the types of crimes they commit.

As indicated, once the offender has been identified as a career criminal, his case is prosecuted by the same attorney from arrest to disposition. This is often referred to as vertical, as opposed to horizontal, prosecution. The same prosecutor represents the State at pretrial proceedings, trial, sentencing, appeal and even at all post-conviction hearings. Vertical representation will provide swift and effective prosecution of the career criminal. Personal contact between the same deputy prosecuting attorney and victims and witnesses throughout the various stages of prosecution will create a good working relationship and will greatly enhance prosecution effectiveness. The deputy is aware, at all times, of all facets of the case, including witness, victim, or evidence problems, and everything that has happened in the case from arrest to disposition. Vertical prosecution will also allow great success in the handling of appeals. Again, the prosecuting attorney knows of problems that occurred during the trial, knows the reasoning of the trial court for its ruling, and is better able to provide to the appellate court insight into the problems of the case and the reasons for the rulings at the trial level.

The criteria to determine career criminals shall be submitted to the police to permit early identification. This permits the prosecutor to complete his evaluation while the details are still fresh in the minds of the witnesses and police. It enables the prosecutor to immediately prepare those cases which can be prosecuted as career criminal and to quickly refer to normal procedures those cases which cannot. Once identified as a career criminal, or where several individuals are involved and one of them is identified as a career criminal, the intake prosecutor transmits the case to the career criminal prosecution unit where a career criminal

prosecutor is assigned the case as soon as possible. That prosecutor will immediately begin handling the case through every phase of the proceeding.¹

IV GOAL

Conviction and incarceration of those designated career criminals.

V OBJECTIVES

A. Operational

1. Incarceration of the career criminal at all stages of the criminal justice progress.
2. Conviction on the most serious charge, whether by plea or trial.
3. Expedited processing of cases in the criminal justice system.
4. Maximum incarceration of convicted career criminals.

B. Administrative

1. Establishment of training programs for members of the units.
2. Establishment of procedural manuals that are to be maintained and reviewed yearly.
3. Establishment of periodic meetings and procedures to exchange ideas, techniques, and names of targeted individuals among the units.

¹ Where an individual is identified as a career criminal at a later stage of the process, the case would then be transmitted to the career criminal prosecution unit for assignment to a career criminal prosecutor.

4. Development of a computer-based system of tracking and identifying career criminals.

5. Establishment of periodic and uniform compilation of unit statistics.

VI POLICIES

- A. Vertical prosecution will be utilized to process career criminal cases.
- B. Cooperation with police and other law enforcement agencies.
- C. Use of experienced prosecutors and investigators whenever possible.
- D. Statewide cooperation between criminal units.
- E. Independence of career criminal units to allow flexibility to meet individual county needs.
- F. Limited plea bargaining when the end of justice will be served.
- G. Expedited case processing.
 - 1. Early identification of the career criminal.
 - 2. Reduced caseloads per prosecutor.
- H. Opposition to parole, probation, and pretrial release where there is a realistic chance of success.
- I. Increased sentencing efforts to incarcerate the career criminal.
- J. Strong legislative lobbying efforts.
- K. Public education of the efforts of the career criminal units.

VII
UNIFORM CRITERIAL FOR
IDENTIFYING THE CAREER CRIMINAL

Time saved at the front end of a case usually means a speedier disposition. It follows, therefore, that early identification by the police and prosecutor of the career criminal is important. The measure of a defendant's proclivity to crime can best be attested to by the history of his arrests and convictions.

Chapter 845, Hawaii Revised Statutes, adopts the criteria for the determination of career criminals. Section 845-3, Hawaii Revised Statutes, as amended by Act 166, 1980 Hawaii Sess. Laws 275, provides as follows:

§ 845-3 Persons subject to career criminal prosecution efforts. (a) An individual shall be the subject of career criminal prosecution efforts if he falls into categories 1, 2, or 3 in subsection (b) and may be the subject of career criminal prosecution efforts if he falls into any other category of subsection (b).

(b) Subject to the restrictions in subsection (a), career criminal prosecution applies to an individual who:

- (1) Has had two or more felony convictions within the last five years.
- (2) Has had one or more felony and two or more misdemeanor convictions and/or arrests within the last three years. Misdemeanors will be limited to prostitution, theft II and place to keep firearm.
- (3) Is convicted and/or arrested for the offense of "felon in possession of a firearm" within the last five years.
- (4) Is on parole.
- (5) Is on probation.

- (6) Is on bond awaiting an appeal.
- (7) Is on bond awaiting trial.
- (8) Is known or suspected to be an associate of organized crime.
- (9) Is known or suspected of recurring or ongoing criminal activity.
- (10) Has no adult record but who has as extensive juvenile record.
- (11) Is a juvenile with an extensive record who has been waived to the Circuit Court for trial.

VIII ORGANIZATION AND PERSONNEL

The State of Hawaii is divided into four judicial circuits with each county comprising one circuit and each county having a prosecuting attorney with authority to prosecute crimes committed within his jurisdiction. The Attorney General has statewide authority to prosecute offenders against the laws of the State.

To establish career criminal prosecution units outside the office of each county prosecutor would prove wasteful as each county has an existing organization and office procedures which can, with the assistance of state funding, absorb the special unit into the existing system. Therefore, the Attorney General will monitor and evaluate the expenditure of state funds granted under this program. It will be the primary responsibility of each county prosecutor to implement, in accordance with program guidelines, a career criminal prosecution unit within the prosecutor's office and successfully prosecute the career criminal.

The Hawaii Prosecuting Attorneys Association, which meets regularly, will exchange ideas and discuss the efforts of all county, state, and federal officials in combating crime, and, in particular, the career criminal.

This program envisions the cooperation between county, state, and federal governments in accomplishing the HCCPP goals of the successful prosecution of the career criminal.

IX FUNDING OF UNITS

Funding for financial and technical assistance for the implementation of HCCPP units established by the prosecuting attorneys' offices shall be contingent upon annual legislative appropriations to the Department of the Attorney General for said purposes.

Requests for state funding under this program shall be submitted by each county on an HCCPP Application for Grant form. Upon approval of the application, a contract will be entered into between the Attorney General and the county. Funding will be released in a semi-annual basis.

X REPORTING REQUIREMENTS

Each county program shall submit to the Attorney General, on a semi-annual basis, information and statistical data relative to HCCPP activities engaged in during the six-month reporting period. Such information and data shall include but not be limited to: number of pending cases at the start of each reporting period; number of career criminal cases opened;

number of indictments returned, preliminary hearings held, and complaints filed; total caseload; total cases disposed of and nature of disposition; total cases dismissed by prosecution, by court before trial, and by acquittal; total cases in which a defendant was convicted as charged by plea and after trial; total cases in which a defendant was convicted by plea or trial to a lesser offense; percentage of trials won; dispositions of convictions (number of incarcerations, percentage of incarcerations to total, number of incarcerations to community correctional facilities; number of cases sentenced to prison terms; number of cases sentenced to regular terms, extended terms, and probations; number of cases allowed to enter a deferred-acceptance-of-guilty plea; total number of pending cases at the end of the reporting period; and total number of warrants outstanding.

II. PROGRAM DESCRIPTION

The Career Criminal Prosecution Program (CCP), is carried out by the County of Maui, Department of the Prosecuting Attorney, prosecutes those persons who fall within the enumerated categories established in Section 845-3, Hawaii Revised Statutes. The Maui CCP Program follows the guidelines contained in the Hawaii Prosecuting Attorney's Association "Policies And Criteria -Hawaii Career Criminal Prosecution Program." (Exhibit A).

The Maui CCP Program will assign one Deputy Prosecuting Attorney for FY2018 and FY2019. Requested funds of \$144,736 for the FY 2018, will be used to pay salary and associated fringe benefits.

The primary function of the CCP Program is to identify, expeditiously prosecute, and convict persons who are career criminals. The maximum possible sentence is sought, thereby providing a measure of public safety in Maui County.

The determination whether a person is to be prosecuted as a career criminal is made by the Deputy Prosecutor in the CCP Program. This decision is based on whether the defendant can be identified as a career criminal as defined by one or more of the categories contained in Section 845-3, HRS. Following a screening decision, the Deputy Prosecutor brings the case before the Grand Jury, Preliminary Hearing, or files an Information Charging. After a defendant is arraigned, the case is automatically assigned to the CCP Deputy Prosecutor, or it may be assigned by the CCP Deputy Prosecutor to another experienced Deputy Prosecutor in the Department funded by Maui County. This provides continuity for both Deputy Prosecutor and victims and witnesses, less duplication of effort, and lends to a more effective prosecution. Due to the high volume of cases and staff shortages in the CCP program, and only one Deputy Prosecutor funded by the State, other senior Deputy Prosecutors are assigned to handle CCP cases. CCP statistics are kept by the Law Technician assigned to the unit.

The CCP cases often concern more serious crimes and their prosecution is usually highly complex and labor intensive.

The reports are analyzed to assess the increase/decrease of referrals, the types of crimes, the years of imprisonment and other information to change or stay status quo for prosecution strategies. CCP reports are also used as a tool for increasing/decreasing staff.
