Dear Chair White:

**SUBJECT: AUTHORIZING THE HIRING OF SPECIAL COUNSEL**

Transmitted herewith please find a proposed resolution entitled, "AUTHORIZING THE EMPLOYMENT OF SPECIAL COUNSEL HAWKINS DELAFIELD & WOOD LLP, FOR THE COUNTY OF MAUI 2018 SUPPLEMENTAL GENERAL OBLIGATION BOND ISSUANCE".

This request to hire special counsel is to handle a supplemental taxable GO bond issuance totaling approximately \$8.0 million for project reimbursements disallowed by IRS regulations for our recent 2018 GO bond issuance. We will structure the offering so that the cost to the County of Maui will be no more than if these same projects would have been allowed in our earlier offering. With interest rates on the rise I would humbly request the scheduling of this item at your earliest possible convenience.

***Re: Request to Receive Proposal for Bond and Disclosure Counsel Services for the  
County of Maui Taxable 2018 General Obligation Bond Issuance***

---

Ladies and Gentlemen:

Hawkins Delafield & Wood LLP ("Hawkins" or the "Firm") is pleased to submit this Proposal (the "Proposal") to the County of Maui (the "County") in response to the County's request to receive our proposal for Bond and Disclosure Counsel services (the "Request"). Hawkins has a strong interest in continuing to serve as bond counsel and disclosure counsel to the County and would continue to provide the highest level of service and attention in that capacity.

Hawkins is a leader in serving as nationally recognized bond counsel, with experience in all areas of public finance that is unsurpassed by any other law firm. Hawkins has maintained a reputation for ethical service, excellence and discretion in the highly visible representation of many of the nation's foremost governmental bodies and agencies, as well as the world's leading financial institutions, for over 150 years.

Hawkins (together with our predecessor firm Wood Dawson & Hellman) has had a continuous relationship with Hawaii issuers which dates to 1903, when the first bond issue in Hawaii was passed upon by Wood Dawson & Hellman. For most of the 20<sup>th</sup> Century, the Firm represented the State of Hawaii and all of the counties in Hawaii exclusively on all public finance matters. In the 21<sup>st</sup> Century, Hawkins continues to have a very active Hawaii practice serving as bond counsel to the State of Hawaii, its various departments and the counties.

Since 1980, when Securities Data Company, Inc. began to maintain rankings, Hawkins has served as bond counsel in the most number of transactions in the State of Hawaii.

4.	McCorriston Miller Mukai MacKinnon	1	28	29	1,691.1
5.	Foley, Maehara, Judge & Nip	0	25	25	1,793.6

Mr. Tierney frequently serves as bond counsel and disclosure counsel on competitively-sold bond issues, including one or more bond issues for the City and County of San Francisco and Santa Clara County, in the first four months of 2018 alone.

Hawkins has built its reputation on providing sound advice to municipal clients. We pay attention to the details necessary to assure successful financings. We return telephone calls promptly, we distribute documents in a timely manner, we adjust our schedules to make partners of the Firm available for meetings, conference calls and closings, and we work closely with our clients' staff and advisors in a professional and collegial manner. We make sure to be available to our clients for routine advice and counsel not just during particular financings, but also for questions and issues that arise between transactions.

The Firm respectfully proposes that bond counsel and disclosure counsel services continue to be under my supervision. Russell A. Miller would continue as the responsible tax partner for this engagement, and Christina C. Togle, another bond partner, would continue to assist in the financing. Further, Kam Wong, Kathleen Orlandi and other partners in our New York office would be available to provide their expertise stemming from long-standing work with Hawaii issuers such as the State of Hawaii and its departments. **Hawkins has more Hawaii experience than any other firm and I am one of the few nationally recognized bond attorneys that is a member of the Hawaii bar.**

Enclosed with this Proposal is a copy of the Firm's Certificate of Vendor Compliance from the State Procurement Office, issued through the Hawaii Compliance Express website.

Please call me should you wish to discuss any matters that are not covered in this Proposal or to obtain clarification on any particular point. We hope to continue to work with the County on its transactions.

Very truly yours,

HAWKINS DELAFIELD & WOOD LLP

The County received 13 bids, ranging from a true interest cost of 2.18% to 2.31% over the 20-year life of the bonds. The refunding saved the County over \$3.9 million in debt service payments (\$3.4 million in present value dollars or 11.15% of refunded principal). The loan was a general obligation of the County.

**Other Hawaii Issuers.** In 2011, Hawkins served as bond counsel to the State of Hawaii in the State's issuance of approximately \$1.29 billion in general obligation bonds. **The issue is the largest bond issue by the State of Hawaii to date.** Bond proceeds were issued to finance various governmental purposes and to advance-refund multiple prior bond issues.

The Firm currently serves as bond counsel in connection with three transactions involving the private placement of Hawaii Housing Finance and Development Corporation Multifamily Housing Revenue Bonds or Notes, scheduled to close in May or June 2018.
