Aloha -

My name is Aristotle Cortez and in favor of the bill to amend the County code on dwellings.

I have a less than 10K sqft of lot and planning to build a 2-bedroom cottage and I just found out that I can only build a 500 sqft living space but if the County will pass this bill then I can probably build a bigger square footage to rent out to family and friends at a reasonable and affordable price, help and save families from being homeless...

Myself and my family started renting a 2-bedroom cottage and I know how hard is it to find a comfortable place you can call it home for an affordable price.

There are a lot of Ohana's I know out there looking for a place they can call it home but some of them cannot afford to rent so they decide to live with relatives and tried to accommodate themselves in a small space.

But if County will allow us homeowners to build more and spacious dwellings in our properties that will provide more affordable homes for rent.

Please let us save our Ohana from hunger and homelessness.

Mahalo,
