Dear Ms. Smith:

SUBJECT: ONE FARM PLAN (PEA-37)

May I please request you review and comment on the attached draft One Farm Plan Application form. The form was derived in response to the One Farm Plan Working Group's request to have one consolidated form to apply for agricultural use valuation, agricultural water, short-term rental home or bed and breakfast home permits, or building permits in an agricultural-zoned property, with input from the Department of Planning, Department of Water Supply, and Department of Finance (Real Property Tax Division).

Highlights of the form include: an Agricultural Use Verification component separate Pasture which replaces the need for Rotation Statement. а Marketing/Harvesting Schedule, information on estimated water usage, and a five-year timeline of projected gross income; an instructional guide for completing the application; a consolidated annual application deadline of September 1, and an email option to <u>onefarmplan@mauicounty.us</u> to submit the form. Additionally, the Real Property Tax Division will be responsible for all inspections of agricultural parcels instead of the current process involving separate inspections conducted by the Department of Planning, Department of Water Supply, and Department of Finance (Real Property Tax Division).

May I request your written response **no later than Tuesday, May 1, 2018.** To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
