Dear Committee members,

It is with much enthusiasm that I write a letter of recommendation for Karla Peters, a candidate for Director of the Department of Parks and Recreation.

I have known Karla personally for over 20 years. In that time we have both raised our families and spent many, if not all of those years serving the County of Maui residents and visitors to the best of our ability. In the recent past as we have both risen in our chosen occupations to management level, we have interacted less socially and more professionally. In the transition from not only friends, but also fellow County management team members I have found Karla to be a consummate professional and one that is always willing to do her best in whatever she does.

Given her expertise, knowledge, attention to detail, and exemplary work ethic, I have no doubt that you will find Karla Peters to be an invaluable contributor and leader as Director of the Department of Parks and Recreation.

Please feel free to contact me at (808) 357-9390 if I can provide you with any additional information.

Respectfully,

A handwritten signature in black ink, appearing to read 'D.C. Thyne', with a long horizontal flourish extending to the right.
