Subject: RE: Karla Peters for Maui County GET Committee

Aloha Honorary Committee,

My name is Michele Davis Heile and I am proud to offer my recommendation of Karla Peters to whom I have personally known since kindergarten from St. Anthony school.

We have grown up together here on Maui and I have experienced a very hard working, dedicated person personally and professionally.
She is a family person who has always cared for everyone and presented herself with grace under any circumstance.

Mahalo for your consideration.

Best,

Michele Davis Heile
