RE: Appointment of Marc Takamori Director of Transportation for the County of Maui

Chair Mike Molina and committee members:

It is my pleasure to support the appointment of Marc Takamori as Director of Transportation for the County of Maui.

I have known Marc since 2012 when I was in his MBA program at the University of Hawaii at Manoa. I was fortunate to get to know Marc when he became my partner on projects assigned during the program. Not only were his technological skills impressive but his patience and ability to work with others was outstanding.

Although his resume and experience at the County of Maui speak for themselves, I would like to add my endorsement of Marc Takamori's appointment, from a Maui resident, former classmate, and a friend.

Thank you.
