Subject: Support Marc Takamori as Director of Transportation (GET-1(10))

I support Marc Takamori as the Director of Transportation.

I have known Marc for the past three years as a fellow board member of Ka Ipu Kukui, a leadership program for emerging leaders of the County of Maui. He has proven himself to be valued board member, taking on additional responsibilities as the Secretary. As a Ka Ipu Kukui Fellow and board member, the organization strives to embody the phrase "seek to understand". Marc continues to be an excellent listener before giving his opinion. While on the Board, Marc has shown to have exceptional character through listening and thoughtful thinking all while exhibiting respectful behaviors in light of disagreeing opinions.

I fully support Marc as the Director of Transportation for the County of Maui. We should all be so proud of our local talent wanting to serve our community.

Mahalo,

Leilani Pulmano
