Subject: Support Marc Takamori as Director of Transportation (GET-1(10))

Dear Maui County Council,

Please accept this letter as a sign of my support for Mark Takamori's appointment as the Maui Country Director of Maui Country. I met Marc as a co-student as we pursued our Executive MBA degree together at the University of Hawaii Manoa starting in 2012. Marc quickly became a valued classmate and friend and consistently demonstrated his indefatigable qualities of integrity, honor, honesty, hard work, compassion, caring, and friendliness. I would wholeheartedly recommend Marc for anything; he is an exceptional human being and colleague. His passion for public service and dedication to helping others is obvious; there is not a selfish or greedy bone in his body. Marc makes an excellent choice for this position. I imagine this will be one of your easier confirmations.

Regards,
